NCUA Revises November Closed Board Meeting Agenda

November 16, 2010, Alexandria, Va. -- The agenda has been revised for the closed meeting of the National Credit Union Administration (NCUA) Board scheduled on Wednesday, November 17th at 10:00 a.m. The Board deleted one of the Pilot Program items originally announced on the closed agenda. A revised agenda is available online at [click here](#).

The NCUA Board will meet in open session Thursday, November 18th at 9:00 a.m.

The National Credit Union Administration charters and supervises federal credit unions. NCUA, with the backing of the full faith and credit of the U.S. government, operates and manages the National Credit Union Share Insurance Fund, insuring the accounts of over 90 million account holders in all federal credit unions and the majority of state-chartered credit unions. NCUA is funded by credit unions, not federal tax dollars.
