NCUA Revises December Board Meeting Agenda

December 14, 2010, Alexandria, Va. -- The National Credit Union Administration (NCUA) Board has revised the open Board meeting agenda scheduled for Thursday, December 16th at 10 a.m. The Board has added an additional item to the open meeting, NCUSIF Investment Committee Addition.

The revised agenda for the December 16 open meeting is available online at: [click here](#).

The National Credit Union Administration charters and supervises federal credit unions. NCUA, with the backing of the full faith and credit of the U.S. government, operates and manages the National Credit Union Share Insurance Fund, insuring the accounts of over 90 million account holders in all federal credit unions and the majority of state-chartered credit unions. NCUA is funded by credit unions, not federal tax dollars.
