Note: Performance measures exclude individuals with qualifying exit reasons. Number of exiters includes those excluded from the performance measures. Skill attainment rate is based on only on exiters and not on continuing participants. It includes goals attained or expired without attainment before April 2010. This differs from the official goal attainment rate, which includes continuing participants and counts any goals attained or expired without attainment between April 2010 and March 2011.

¹ Excludes younger youth who were attending high school at exit.

² Excludes younger youth who were high school graduates or the equivalent at participation and younger youth who were still attending high school at exit.

³ Includes only those who exited before July 1, 2010.
