

New and Improved FSSI Office Supply BPAs:

We Make it Easy to Buy Right

For the Second Generation FSSI Office Supply BPAs, GSA worked with federal agencies on the FSSI Office Supplies Commodity Council to obtain discounted pricing on office supplies, paper and toners — so get what you need at the prices you need — with minimal effort. By leveraging the buying power of the federal marketplace, we have negotiated great terms and conditions. We make green products easy to find to enable you to meet your agency’s environmental mandates. In addition, companies of various business sizes are available to help you achieve your socio-economic goals. We welcome you to try this new and improved way to buy.

Go to GSA Advantage!® or DoD eMall to find and compare a wide array of products at discounted prices. Discounts average 19% off MAS pricing but can reach as high as 45% on certain items. Starting in December and January, you can order from the 15 contractors directly or via GSA Advantage!® or DoD eMall, using a GSA SmartPay card and obtain point-of-sale discounts whether you ask for them or not.
