December 13th 6:00 pm to 9:00 pm

Southwest Technology Center
Rooms 109 & 110
Altus, OK

Join us for a **FREE** workshop and **FREE** dinner to help you learn how to apply for **USDA** funding for renewable energy and energy efficiency projects!

\$22 million is available nationwide for applicants under the **Farm Bill Section 9006 Program**

Section 9006 of the Farm Bill provides grants, loan, and loan guarantees to agricultural producers and rural small businesses for the purchase of renewable energy systems or for energy efficiency improvements. There are two distinct components: 1.) provide for the purchase of renewable energy systems, and 2.) provide for making energy efficiency improvements.

What will I learn at this workshop?

- **A complete overview of Section 9006 of the Farm Bill program**
- **Specifics regarding applicant and project eligibility**
- **Step by step explanation of the application process**
- **Examples of successful projects that have received funding from Section 9006**

No fee is required! We just request you register to ensure proper food amounts!
