Notice is hereby given that on August 24, 2006, a proposed Consent Decree in *United States of America and the Michigan Department of Environmental Quality v. CEMEX, Inc., St. Mary's Cement Inc. (U.S.), and St. Barbara Cement, Inc.*, Civil Action No. 1:06-CV-0607, was lodged with the United States District Court for the Western District of Michigan.

In this action the United States sought injunctive relieve and civil penalties for violations for the Clean Air Act that occurred at the portland cement manufacturing facility located in 16000 Bell Bays Road, in Charlevoix, Michigan, which was owned and operated by CEMEX, Inc. prior to March 31, 2005, and owned by St. Barbara Cement Inc. and operated by St. Marys Cement Inc. The complaint alleges that CEMEX Inc. failed to control and limit particulate matter (dust) emissions, failed to perform required compliance monitoring, and failed to comply with various other requirements government operation of portland cement manufacturing plants.

The proposed consent decree resolves all violations alleged in the complaint. Among other things, the consent decree requires CEMEX Inc. to pay a civil penalty of \$1,359,422 to the United States and the State of Michigan and requires St. Marys and St. Barbara to install a baghouse filtering system, which is estimated to cost in excess of \$11 million, to remedy the ongoing emissions violations. In addition, the consent decree requires the defendants to spend at least \$6.2 million on the installation of a new indirect firing system for the facility's kiln, which is expected to substantially reduce emissions of particulate matter, sulfur dioxide, and nitrogen oxides.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments relating to the Consent Decree. BILLING CODE 4410-15-M

DEPARTMENT OF JUSTICE

[AAG/A Order No. 016-2006]

Privacy Act of 1974; Systems of Records

AGENCY: United States Trustee Program, Department of Justice.

ACTION: Notice of modifications to current systems of records and establishment of a new system of records.

SUMMARY: Pursuant to the Privacy Act of 1974 (5 U.S.C. 552a) and Office of Management and Budget Circular No. A-130, the United States Trustee Program (USTP), Department of Justice, proposes to modify the following existing Privacy Act systems of records:

JUSTICE/UST-001, "Bankruptcy Case Files and Associated Records" (last substantively revised on March 4, 2004, at 69 FR 10255; as amended June 15, 2004, 69 FR 33403); JUSTICE/UST-002, "Bankruptcy Trustee Oversight Records" (last substantively revised on

March 4, 2004, at 69 FR 10255; as amended June 15, 2004, 69 FR 33403); JUSTICE/UST-003, "U.S. Trustee Program Timekeeping Records" (last substantively revised on March 4, 2004, at 69 FR 10255; as amended June 15, 2004, 69 FR 33403); and JUSTICE/UST-004, "U.S. Trustee Program Case Referral System" (last substantively revised on March 4, 2004, at 69 FR 10255; as amended June 15, 2004, 69 FR 33403). In addition, the USTP proposes to establish a new system of records entitled, JUSTICE/UST-005, "Credit Counseling and Debtor Education Files and Associated Records." The modified system notices and the new system notice are published in their entirety below.

DATES: These actions will be effective November 20, 2006.

FOR FURTHER INFORMATION CONTACT: For information regarding these changes and for general information regarding the USTP's Privacy Act systems, contact Sue Ann Slates, FOIA/Privacy Counsel, Executive Office for United States Trustees (EOUST), at (202) 307-1399.

SUPPLEMENTARY INFORMATION: On April 20, 2005, amendments to the Bankruptcy Code, 11 U.S.C. 101, *et seq.*, were enacted that took effect on October 17, 2005. Under the new provisions, all individual debtors are required to receive credit counseling and a budget analysis from a USTP approved nonprofit budget and credit counseling agency within 180 days prior to filing a bankruptcy petition. Also, an individual debtor is required to take a personal financial management course from a USTP approved debtor education provider before receiving a bankruptcy discharge. The United States Trustees approve credit counseling and debtor education providers after determining their qualifications meet the standards set forth in the Bankruptcy Code and agency regulations. Accordingly, a new system of records is needed to cover applicants seeking to be USTP approved and reapproved providers of credit counseling and debtor education services under the Bankruptcy Code, as well as individuals who submit complaints and comments to the USTP regarding such providers. The records in this system will be used, among other things, to assist the EOUST and United States Trustees to assess the qualifications of credit counseling and debtor education applicants and providers, ensure compliance with the statutory and regulatory requirements, and collect and maintain complaints and comments submitted by individuals.

In addition to the above amendments, other changes to the Bankruptcy Code further necessitate modifications to the categories of individuals in JUSTICE/UST-001 and JUSTICE/UST-003 and to the categories of records in JUSTICE/UST-001 and JUSTICE/UST-004. For example, individual debtors must undergo means testing and possible debtor audits and, in certain business cases, bankruptcy examiners and ombudsmen may be appointed. The USTP is also implementing a new employee timekeeping system. Besides modifications to comport with amendments to the Bankruptcy Code, the USTP has made minor changes and clarifications in its existing systems of records to correct typographical errors, update certain statutory references, reflect uniform nomenclature changes, and add data elements. A summary of the changes to the current systems of records and a summary of the new system of records is set forth below:

In system of records JUSTICE/UST-001, Bankruptcy Case Files and Associated Records, the paragraph entitled "Categories of Individuals Covered by the System" has been modified to cover credit counseling and debtor education providers, auditors, examiners, and ombudsmen, as well as individuals who may be considered for appointment as trustees, examiners, and ombudsmen. Also included in the system are individuals who have filed complaints or inquiries related to a bankruptcy case with the USTP. The "Categories of Records in the System" paragraph has been revised to include new categories of records resulting from amendments to the Bankruptcy Code and to reflect the types of records covered by this system. The routine use that allows the release of information to bankruptcy trustees has been modified to clarify that such information may be shared when necessary to enable trustees to respond to complaints and inquiries by interested parties. Four new "Routine Uses" are being added for release of information to law enforcement authorities, USTP approved credit counseling and debtor education providers, bankruptcy examiners, and ombudsmen. The "Retrievability" and "Record Source Categories" paragraphs have been updated to reflect agency practices. The system of records was also modified to correct typographical errors, update certain statutory references, and reflect uniform nomenclature changes.

System of records, JUSTICE/UST-002, Bankruptcy Trustee Oversight Records, was modified to reflect uniform nomenclature changes. Also, the routine use that allows the release of

information to bankruptcy trustees has been modified to clarify that such information may be shared when necessary to enable trustees to respond to complaints and inquiries by interested parties. A new routine use allows information to be shared with law enforcement authorities.

System of records, JUSTICE/UST-003, U.S. Trustee Program Timekeeping Records, was modified to reflect uniform nomenclature changes. Also, the "Categories of Individuals Covered by the System" and the "System Managers and Address" paragraphs were modified to reflect agency practices.

In system of records JUSTICE/UST-004, U.S. Trustee Program Case Referral System, the paragraph "Categories of Records in the System" has been modified to include information pertaining to credit counseling and debtor education providers. The routine use that allows the release of information to bankruptcy trustees has been modified to clarify that such information may be shared when necessary to enable trustees to respond to complaints and inquiries by interested parties. Four new "Routine Uses" are being added for release of information to law enforcement authorities, USTP approved credit counseling and debtor education providers, bankruptcy examiners, and ombudsmen. The "Retention and Disposal" paragraph is being amended to include criminal referral records in which a criminal case has been brought against an individual subject (National Archives and Records Administration approval pending). The system of records was also modified to reflect uniform nomenclature changes.

The USTP has added a new system of records entitled JUSTICE/UST-005, Credit Counseling and Debtor Education Files and Associated Records, to cover applicants seeking to be USTP approved and reapproved providers of credit counseling and debtor education services under the Bankruptcy Code, as well as third parties who submit information, including complaints and comments, to the USTP regarding such providers. In addition to the standard routine uses currently used in the existing systems of records, three new routine uses are being added to system of records JUSTICE/UST-005: (1) for the release of information to law enforcement authorities, (2) for the release of information to appropriate third parties, including government agencies, in connection with USTP decisions to grant, deny, or revoke approval or reapproval of credit counseling and debtor education

applicants and providers, and (3) for the release of information to approved credit counseling and debtor education providers to the extent necessary to enable providers to accomplish the credit counseling and debtor education requirements of the Bankruptcy Code and to respond to complaints and inquiries submitted to the USTP by interested parties. The entire systems of records notice is published below.

In accordance with 5 U.S.C. 552a(e)(4) and (11), the public is given a 30-day period in which to comment; and the Office of Management and Budget (OMB), which has oversight responsibility of the Act, requires a 40-day period in which to conclude its review of the system. Therefore, please submit any comments by November 20, 2006. The public, OMB, and Congress are invited to submit comments to: Mary Cahill, Management and Planning Staff, Justice Management Division, Department of Justice, Washington, DC 20530 (Room 1400, National Place Building).

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and Congress.

Dated: October 4, 2006.

BILLING CODE 4410-40-P

DEPARTMENT OF JUSTICE

Drug Enforcement Administration

Gregg Brothers Wholesale Co., Inc.; Denial of Application

On April 26, 2005, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA), issued an Order To Show Cause to Gregg Brothers Wholesale Co., Inc., (Respondent) of Powell, Tennessee. The Show Cause Order proposed to deny Respondent's application for registration as a distributor of the List I chemicals ephedrine, pseudoephedrine, and phenylpropanolamine on the ground that its registration would be inconsistent with the public interest as that term is defined in 21 U.S.C. 823(h). *See* Show Cause Order at 1.

The Show Cause Order specially alleged that methamphetamine production "continues unabated within the Tennessee region," that the State "has a large number of independent methamphetamine producers," and that the State leads DEA's southeast region in the number of clandestine laboratory seizures. *Id.* at 2. The Show Cause Order also alleged that "several distributors in Tennessee were selling pseudoephedrine and ephedrine products to many of the same retail customers." *Id.* at 3.

The Show Cause Order alleged that Respondent's owner, Mr. Thomas Gregg, told DEA Diversion Investigators (DIs) that he intended to distribute both traditional pseudoephedrine products and non-traditional or "gray market"

products, including products that have been found during seizures of clandestine laboratories. *Id.* at 4. The Show Cause Order further alleged that "during the pre-registration inspection, the DIs found that Respondent had several pseudoephedrine products in its possession and that Mr. Gregg "did not realize that these products contained pseudoephedrine." *Id.* The Show Cause Order also alleged that between 2002 and 2005, Respondent had made "about 17 purchases of various pseudoephedrine products," and that "[b]etween 2002 and 2004, [Respondent] sold about 200 orders of pseudoephedrine products to various convenience stores and similar retail establishments." *Id.* at 5.

The Show Cause Order next alleged that Respondent expected to sell List I chemical products "to about 190 various convenience stores and similar retail establishments." *Id.* at 5. Finally, the Show Cause Order alleged that Respondent's owner had indicated that "ephedrine 2-way products would be the largest volume" List 1 chemical product. *Id.* at 5-6. The Show Cause Order also notified Respondent of its right to a hearing.

The Show Cause Order was served by certified mail, return receipt requested, and on May 4, 2005, Respondent acknowledged receipt. Thereafter, Respondent, in a letter dated June 1, 2005, but which was not received until June 9, 2005, requested a hearing; the matter was initially assigned to Administrative Law Judge (ALJ) Mary Ellen Bittner.

On June 16, 2005, the Government moved to deny Respondent a hearing on the ground that Respondent had not timely filed its request. *See* 21 CFR 1301.43(a). On June 28, 2005, the ALJ issued a memorandum offering Respondent the opportunity to respond to the Government's motion by 4 p.m. on July 21, 2005. When, by August 26, 2005, no response had been received, the ALJ granted the government's motion. *See* Order Terminating Proceedings at 1. The ALJ also found that Respondent had not timely requested a hearing and thus concluded that it had waived its right to a hearing. *See id.* The ALJ then ordered that the proceeding be terminated. *See id.* at 2.

Thereafter, the investigative file was forwarded to me for final agency action. I adopt the ALJ's finding that Respondent has waived its hearing right and hereby enter this final order based on relevant material in the investigative file.

Findings

Respondent is a Tennessee Corporation which is located in Powell, Tennessee. Mr. Thomas Gregg is Respondent's President and owns all of its shares. Respondent distributes bait, groceries, candy, snack food, health and beauty items and novelty items to convenience stores and gas stations in East Tennessee, Virginia, Kentucky, and North Carolina. On August 15, 2002, Respondent applied for a registration to distribute the List I chemicals pseudoephedrine, ephedrine, and phenylpropanolamine (PPA).

While ephedrine and pseudoephedrine have therapeutic uses, they are easily extracted from lawful over-the-counter products and used in the illicit manufacture of methamphetamine, a schedule II controlled substance. *See* 21 U.S.C. 802(34); 21 CFR 1308.12(d). PPA can also be used to manufacture methamphetamine. In November 2000, the FDA issued a public health advisory regarding PPA based on a study that found that the use of PPA increases the risk of hemorrhagic stroke.¹

Methamphetamine is a powerful and addictive central nervous system stimulant, *see A-1 Distribution Wholesale*, 70 FR 28573 (2005), and is a schedule II controlled substance. 21 CFR 1308.12(d). The illegal manufacture and abuse of methamphetamine pose a grave threat to this country. Methamphetamine abuse had destroyed numerous lives and families and has ravaged communities. The manufacture of methamphetamine also causes serious environmental harms because of the toxic nature of the chemicals used to make the drug.

The problem of methamphetamine abuse is especially serious in Tennessee. In 2004, law enforcement agencies seized 939 clandestine methamphetamine labs in the State. These seizures were the second largest per-state total in the nation.

On September 1, 2004, two DEA Diversion Investigators (DIs) visited Respondent at its proposed registered location to conduct a pre-registration investigation. The DIs met with Mr. Gregg, who told them that he intended to sell both traditional and non-traditional List I chemical products and that his suppliers included Sessions Specialty Company of Lewisville, North

¹ More recently, on December 22, 2005, the FDA issued a notice of proposed rulemaking, which proposed to reclassify over-the-counter PPA products as "not generally recognized as safe and effective."
