General License No. 6

**In-kind donations of medicine, medical devices, and medical services.**

- (a) Nongovernmental organizations that are U.S. persons are authorized to provide in-kind donations of medicine, medical devices, and medical services to the Palestinian Authority Ministry of Health, provided that such donations are strictly for distribution in the West Bank or Gaza and not intended for resale, and provided further that no payment pursuant to this license may involve a debit to an account of the Palestinian Authority on the books of a U.S. financial institution or to any account blocked pursuant to 31 C.F.R. parts 594, 595, or 597.
- (b) For the purposes of this General License only, the term medical device has the meaning given the term “device” in section 201 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 321), including medical supplies, but does not include any item listed on the Commerce Control List in the Export Administration Regulations, 15 C.F.R. part 774, supplement no. 1.
- (c) Nongovernmental organizations that are interested in providing items listed on the Commerce Control List to the Palestinian Authority Ministry of Health must apply for a specific license from the Office of Foreign Assets Control.
