Chapter 11. Excepted Service Appointments

1. Coverage.

This chapter covers all appointments, conversions to appointments, and extensions of temporary appointments that are made without regard to the competitive requirements of the civil service rules and regulations, and that are not covered by the Senior Executive Service (SES). Instructions for SES appointments are published in Chapter 13.)

2. Definitions.

a. An appointment brings an individual onto the rolls (staff) of an agency.

b. A conversion changes an employee from one appointment to another appointment (under either the same or a different authority) in the same agency with no break in service or with a break of 3 days or less.

c. An extension continues a time-limited appointment (one with an NTE date) up to the maximum time allowed by the authority under which it was effected.

d. A Provisional Appointment NTE is a temporary appointment to a continuing position when the agency intends later to convert the employee to a nontemporary appointment, *and* has appropriate authority for the conversion at the time of the temporary appointment.

3. Special Conditions.

When making appointments in the excepted service, certain special conditions may impact the documentation of the personnel actions and require additional instructions.

a. Retired persons. When the person being appointed is retired from Federal civilian service, you must follow the instructions in Chapter 3 as well as those instructions appropriate for excepted service appointments.

b. Separations by RIF. If an employee who is to be separated by reduction in force (RIF) procedures accepts a nonpermanent *appointment* in the same agency, each action must be documented separately, regardless of when the new appointment begins: the losing office processes a 356/Separation-RIF and the gaining office processes the new appointment. If an employee accepts an offer of assignment under the RIF regulations to a specifically temporary *position* (e.g., if a career employee accepts an offer of assignment to a position that is scheduled to be abolished in a year), the action is processed as a Reassignment, Position Change, etc., following the instructions in Chapter 14.

c. Concurrent employment. If employee will be employed concurrently in two (or more) agencies, follow instructions in the “Federal Employees’ Group Life Insurance: A Handbook for Employees, Annuitants, Compensationers and Employing Offices” and the “Federal Employees’ Health Benefit Program: A Handbook for Enrollees and Employing Offices” to determine how health benefits and FEGLI will be handled, and to document those determinations on the Standard Form (SF) 52 (and SF 50).

>d. Appointments funded by Public Law 111-5 dated February 17, 2009 (The American Recovery and Reinvestment Act of 2009 (“ARRA”)). In addition to citing the legal authority code(s) required per the Tables in this chapter, when documenting the SF-52/SF-50 for an ARRA funded appointment effective on or after February 17, 2009, cite “ZEA/Pub. L. 111-5” as the final legal authority.<
