Re: *In the Matter of Applications of Comcast Corporation, General Electric Company and NBC Universal, Inc. for Consent to Assign Licenses or Transfer Control of Licensees, MB Docket No. 10-56, Minor Amendments*

Dear Ms. Dortch:

The purpose of this letter is to report on minor amendments filed with the Federal Communications Commission (“FCC”) on May 4, 2010, by Comcast Corporation, General Electric Company, and NBC Universal, Inc. (collectively, “Applicants”) in connection with the pending FCC applications for consent to assign licenses or transfer control of licensees. The applications were amended to:

1. Submit Addendum 1 to Exhibit 19 to FCC Forms 315 to amend the Applicants’ response to Section IV, Question 8 regarding the common ownership of three television stations in the Los Angeles, California DMA. Specifically, the Applicants had requested a temporary extension of the waiver of the local television rule and committed that within six months of closing the proposed joint venture transaction, the Applicants would either (1) divest one of the stations, or (2) place one of the stations in a divestiture trust.

The Applicants have now amended the Applications to withdraw their request for an additional six months after the closing in which to divest one of the three television stations, and instead committed to (1) divest one of the stations to a third party prior to the consummation of the proposed joint venture transaction, or (2) place one of the stations in a divestiture trust at closing, in either case pursuant to prior Commission consent. The Applications were further amended to conform all other relevant references in the Applications, including the Public Interest Statement, to comport with this amendment.¹ (*See* FCC Form 315 Lead Application File Nos. BTCCDT-20100128AAG, BTCCDT-20100128ABL, BTCCDT-20100128ABN, and BTCCDT-20100128ABR).

¹ Please note that, to the extent necessary, the Applicants intend this conforming amendment to apply also to the Applicants’ international and wireless applications on FCC Forms 312 and 603. *See, e.g.*, FCC Form 312 Lead Application File No. SES-ASG-20100201-00148; and FCC Form 603 Lead Application File No. 0004101576.
