**Re: *Ex Parte Notice, In the Matter of Applications of Comcast Corporation, General Electric Company and NBC Universal, Inc. for Consent to Assign Licenses or Transfer Control of Licensees, MB Docket No. 10-56***

Dear Ms. Dortch:

On August 18, 2010, Paul Cappuccio, Executive Vice President and General Counsel, Carol Melton, Executive Vice President of Global Public Policy, and the undersigned met with the following members of the FCC transaction team: Jessica Almond, Jim Bird, Deborah Broderson, Mark Bykowsky, Neil Dellar, John Flynn, Bill Freedman, Marcia Glauberman, Jamila Bess Johnson, Paul LaFontaine, Erin McGrath, Virginia Metallo, Chuck Needy, Dana Scherer, Daniel Shiman, and Jennifer Tatel.

The purpose of this meeting was to discuss nascent online video models that have been raised in the above-referenced proceeding. Specifically, Mr. Cappuccio and Ms. Melton clarified the open and non-exclusive nature of the "TV Everywhere" concept, which is the subject of a number of trials by different programmers and distributors. Mr. Cappuccio also described the resulting benefits to multichannel subscribers in terms of additional value and flexibility in how they access their favorite programming.

Please contact me if you have any questions regarding this notice.

Sincerely,

/s/ Susan A. Mort
