Re: *In the Matter of Applications of Comcast Corporation, General Electric Company and NBC Universal Inc. for Consent to Assign Licenses and Transfer Control of Licenses, MB Docket No. 10-56*

Dear Ms. Dortch:

Please note that the total hours of independent programming telecast on the Comcast-NBCUniversal networks and stations during the Second Quarter 2011 amounts to 31969 hours, 00 minutes and 34 seconds (31969:00:34); the report filed yesterday lists all these hours, but our cover letter understated the total.¹

Please do not hesitate to contact me should you have any questions.

Sincerely yours,

Frank La Fontaine
