**Re: Ex Parte Communication *In the Matter of Qwest Communications International Inc. and CenturyTel, Inc. d/b/a CenturyLink*, WC Docket No. 10-110 ADDENDUM TO NASUCA February 2, 2011 EX PARTE**

Dear Ms. Dortch:

On February 2, 2011, the National Association of State Utility Consumer Advocates (“NASUCA”) submitted in this docket a letter regarding the commitments that Qwest Communications International Inc. (“Qwest”) and CenturyTel, Inc. d/b/a CenturyLink (“CenturyLink”) have agreed to in several states as part of settlement discussions with intervenors in regulatory proceedings before public utility commissions. With that letter, NASUCA submitted an overview of commitments that have been proposed or to which CenturyLink has agreed in the various states.

It has come to our attention that, in the description of the Colorado proceedings, a sentence was omitted from NASUCA’s attachment. We would therefore ask that the following be considered as having been part of that description (on page 1 of the Attachment): “The OCC has asked the Colorado PUC to reconsider its order because the decision did not extend the protections agreed to in the settlements with wholesale carriers and government customers to Colorado's residential consumers.”

In addition, a minor correction should be made to the description of the broadband commitment in the Washington proceeding. On page 6 of the Attachment it was stated that “Applicants committed to invest \$89 million in retail broadband infrastructure in Washington over a five-year period....” Instead the investment amount was \$80 million.

Thank you for your attention to these matters.

Respectfully submitted,

/s/

Charles A. Acquard,  
Executive Director
