

# ARMY OPERATIONAL KNOWLEDGE MANAGEMENT

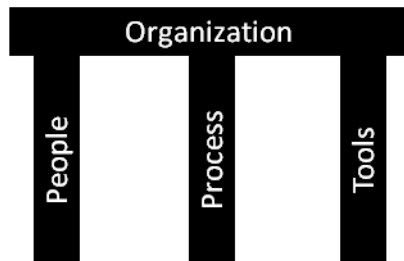

## AOKM QUALIFICATION COURSE

The Army Operational Knowledge Management Qualification Course (AOKMQC) provides the Army with school-trained and qualified personnel to staff KM Sections at all levels of command. Graduates of the 3-week course are awarded the Additional Skill Identifier (ASI) 1E, Knowledge Management Professional. This ASI will help the Army identify and track officers, warrant officers and enlisted personnel who are AOKMQC graduates and who are best qualified for assignment to KM Sections.

The course focuses on knowledge management's three pillars—people, processes, and technology tools—and their application within Army operational units. Specific topics include:

- KM Fundamentals /Theory
- Content Management
- KM Tools
- KM Business Processes
- KM Systems Integration

- KM Training /Blended Learning
- Knowledge Mapping
- Communities of Practice
- Collaborative Teaming
- Staff integration

The AOKM Proponent completed a 2nd pilot for the AOKMQ Course and awarded the ASI 1E to 17 students on 5 August 2011. The course consisted of students from unit Knowledge Management Sections from theater Army headquarters (USARPAC) down to combat and functional brigades (4/2 SBCT). The student body spanned across components (Active, National Guard, Reserve) and included both military personnel (SSG-LTC) and Department of the Army civilians.

**AOKM Qualification Course Schedule**

**24 Oct - 10 Nov 2011**  
**23 Jan - 10 Feb 2012**  
**7-24 May 2012**  
**6-24 Jun 2012**

To register for a future course, contact the AOKM Proponent:

**(913) 684-6819/6397**  
**DSN: 552-6819/6397**
