SHIP

The National Institute of Standards and Technology Summer High School Internship Program

SHIP = Summer Volunteering + Scientific Research + NIST

About SHIP

1. It will last 6 weeks, 40 hours per week, during the summer.
2. It's an unpaid volunteer program for high school juniors and seniors. NIST is an MCPS Student Service Learning Site located in Gaithersburg, MD.
3. It's designed for students interested in scientific research. Students will work with staff in physics, chemistry, biochemistry, materials science, engineering, mathematics, statistics, information technology, and computer science. Science at NIST focuses on measurement and advanced technology.
4. Write to ship@nist.gov for more information.

To apply

1. Go to http://www.nist.gov/hrmd/staffing/ship.cfm
2. Submit an application, resume, transcript, and description of your area of scientific interest, skills, completed training, and future plans.
3. Deadline: February 1, 2011, 11:59:59 p.m.

NIST National Institute of Standards and Technology • U.S. Department of Commerce
