Nature of bill:

Expiration date:

Current or previous chapter 99 heading:

Retroactive date:

CAS number (if applicable):

Industry analyst:

Telephone:

Tariff Affairs contact:

Telephone:

Note:

1. Access to an electronic copy of this memorandum is available at http://www.usitc.gov/tariff_affairs/congress_reports/.
2. In regard to the country(ies) of origin listed in section III, this report focuses on dutiable imports and does not take into account any tariff preference programs or special rates of duty.

II. Suggested article description(s) for enactment (including appropriate HTS subheading(s)):

Lamp-holder housings of aluminum, containing sockets (provided for in subheading 8536.61.00)

(If enacted, the tariff relief provided for in this bill would be available to any entity that imports the product that is covered by the bill.)

Description above compared with bill as introduced:

- Same
 Different (see Technical Comments section)

III. Other product information, including uses/applications and source(s) of imports

The subject products, aluminum lamp-holder housings containing sockets, are one type of lamp-holder (bulb holder). Lamp-holders provide an electrical housing for bulb insertion in various types of lighting fixtures. Lamp-holders vary in style, electrical rating, and constituent materials and may be used for incandescent, fluorescent, or other lighting devices. There are many configurations, including snap-in, plug-in, and screw-in, based on end-use requirements. Aluminum lamp-holder housings containing sockets are considered to be a lower quality material type that does not support high heat applications. They are commonly used with lighting that does not generate high levels of heat, such as in table lamps for use in homes. The principal U.S. import sources of this product are China, Mexico, and Germany. Total U.S. imports of all lamp-holders classified in subheading 8536.61.00 (a broader category than just the subject product) totaled \$88 million in 2011. Opposition to this bill is noted below in the Contacts table.

IV. Estimated effect on customs revenue

Subject product HTS subheading(s)	8536.61.00				
Item	2013	2014	2015	2016	2017
Col.1-general rate of duty (%) or percentage point reduction	2.7	2.7	2.7	2.7	2.7
Estimated value of <i>dutiable</i> imports (\$)	300,000	300,000	300,000	300,000	300,000
Customs revenue loss (\$)	8,100	8,100	8,100	8,100	8,100

Note: Customs revenue loss is provided for 5 years, although the effective period of the proposed legislation may differ. Regarding the HTS subheading listed in the article description of the bill, the Commission may express an opinion on the HTS classification of a product to facilitate consideration of the bill. However, by law, only U.S. Customs and Border Protection is authorized to issue a binding ruling on this matter. The Commission believes that Customs should be consulted prior to enactment of the bill.

Dutiable imports were based on (more than one may apply):

- Official statistics of the U.S. Department of Commerce
 Provided by industry sources
 Industry information
 Commission estimates

Duty reduction notes:

- This bill is not a duty reduction
 This bill is a temporary duty reduction. Rates are shown below.

Col.1-general duty rate (%) Temporary rate (%) Percentage point reduction (%)

To: Schneider, Patrick
Subject: RE: USITC Proposed Tariff Suspensions on Lampholders

Patrick,

I am opposed to lowering tariffs on the lampholders as it adds to our difficulty of manufacturing in USA and competing against the lower labor rate countries. 2.7% may not seem like much but it may be the difference in a sale for a US company or an off shore competitor.

Regards,
Howard Sanders
President

Subject: USITC Proposed Tariff Suspensions on Lampholders

Mr. Sanders:

I am with the U.S. International Trade Commission (the Commission), an independent agency in the U.S. Government, which, among other things, provides advice to the President and Congress on all matters of international trade. I am writing to request your input on Congressional legislation related to tariff suspensions. I have included more details and questions on the bills below:

Bill	Product	Current tariff rate	Proposed tariff rate	Link to bill
H.R. 5131	Lamp-holder housings of porcelain, containing sockets (provided for in subheading 8536.61.00).	Free (2.7%)	Free through December 31, 2015	http://www.gpo.gov/fdsys/pkg/BILLS-112hr5131ih/pdf/BILLS-112hr5131ih.pdf
H.R. 5132	Lamp-holder housings of aluminum, containing sockets (provided for in subheading 8536.61.00)	Free (2.7%)	Free through December 31, 2015	http://www.gpo.gov/fdsys/pkg/BILLS-112hr5132ih/pdf/BILLS-112hr5132ih.pdf
H.R. 5137	Lamp-holder housings of brass, containing sockets (provided for in subheading 8536.61.00)	Free (2.7%)	Free, through December 31, 2015	http://www.gpo.gov/fdsys/pkg/BILLS-112hr5137ih/pdf/BILLS-112hr5137ih.pdf
H.R. 5138	Lamp-holder housings of plastic, containing sockets (provided for in subheading 8536.61.00)	Free (2.7%)	Free, through December 31, 2015	http://www.gpo.gov/fdsys/pkg/BILLS-112hr5138ih/pdf/BILLS-112hr5138ih.pdf

H.R. 5133	Switches designed for lighting control, activated by dual passive infrared sensors that detect the presence of any occupant of the coverage area, with lens masking for adjusting the field of view of the sensors(provided for in subheading 8536.50.90)	2.7%	Free, through December 31, 2015	http://www.gpo.gov/fdsys/pkg/BILLS-112hr5133ih/pdf/BILLS-112hr5133ih.pdf BILLS-112hr4711ih.pdf
H.R. 5134	Duplex surge protection receptacles for a voltage not exceeding 250v alternating current, each with monitor light to indicate the device is protecting the circuit (provided for in subheading 8536.30.80)	2.7%	Free, through December 31, 2015	http://www.gpo.gov/fdsys/pkg/BILLS-112hr5134ih/pdf/BILLS-112hr5134ih.pdf
H.R. 5135	Ground fault circuit interrupter (GFCI) receptacles designed to prevent insertion of foreign objects, each with internal shutters and clearly marked TR ('tamper resistant'), certified by the importer as meeting the 2008 National Electric Code Section 406.11 for 15 ampere or 20 ampere receptacles (provided for in subheading 8536.30.80)	2.7%	Free, through December 31, 2015	http://www.gpo.gov/fdsys/pkg/BILLS-112hr5135ih/pdf/BILLS-112hr5135ih.pdf
H.R. 5136	Banana jack connectors (provided for in subheading 8536.69.80)	2.7%	Free, through December 31 2015	http://www.gpo.gov/fdsys/pkg/BILLS-112hr5136ih/pdf/BILLS-112hr5136ih.pdf

The Commission prepares reports on legislation concerning duty suspensions for

the House Ways and Means and Senate Finance Committees. As a part of this process, the Commission attempts to identify and contact domestic firms and associations that may have an interest in the subject legislation.

We would appreciate it very much if you could please advise us in regard to(only in the bills that apply to you and please specify which ones):

- Do you have an interest in the proposed duty suspension legislation and, if so, do you support, oppose, or are you neutral to each of the bills? **If you oppose the bill, please submit a written statement saying so via email. You may also submit comments at the link provided below, and to your local Congressman's office.**
- Do you make any of the products described in the bills or competing products in the United States? Is there other U.S. manufacturing of the products described in the bills or competing products? If so, could you provide the names of the firms that make these products?
- Do you import the products described in these bills? If so, what countries are the major sources of imports for each of these products?
- Will you benefit from this bill? If so, can you provide me an estimate of the value of industry imports(you may submit this separately if it is proprietary information) that will benefit from this bill in each of the next five years?

The House of Representatives Ways and Means Committee would like to hear your comments on the bill and you may submit them at the website below in the area corresponding to your specific bill: <http://waysandmeans.house.gov/mtb/mtbbills.htm>. You may also contact the House Ways and Means Committee at Ph: 202-225-3625 fax: 202-225-2610. You are also encouraged to contact your Congressman or Senator.

Thank you for your time.

112TH CONGRESS
2D SESSION

H. R. 5132

To extend the temporary suspension of duty on certain aluminum lamp-holder housings.

IN THE HOUSE OF REPRESENTATIVES

APRIL 27, 2012

Mr. ISRAEL introduced the following bill; which was referred to the Committee on Ways and Means

A BILL

To extend the temporary suspension of duty on certain aluminum lamp-holder housings.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. CERTAIN ALUMINUM LAMP-HOLDER**
4 **HOUSINGS.**

5 (a) IN GENERAL.—Heading 9902.23.31 of the Har-
6 monized Tariff Schedule of the United States (relating to
7 certain aluminum lamp-holder housings) is amended by
8 striking “12/31/2012” and inserting “12/31/2015”.

9 (b) EFFECTIVE DATE.—The amendments made by
10 subsection (a) apply with respect to goods entered, or

- 1 withdrawn from warehouse for consumption, on or after
- 2 the 15th day after the date of enactment of this Act.
