Re: In re Rambus, Inc., Dkt. No. 9302: Subpoena Served on Mitsubishi
Electric & Electronics USA, Inc.

Dear David and John:

I noticed in the motion to quash the subpoena served by Rambus on Mitsubishi Electric & Electronics USA, Inc. ("MEUS") that you assert service of the subpoena was not properly effected. I don't recall discussing this contention during our several-hours-long meet and confer session. Had you informed me of this dispute, we could have resolved the issue weeks ago.

Should MEUS intend to maintain its position that service was improper, Rambus will serve an identical subpoena at MEUS's principal place of business in California to resolve the issue. If this is the case, please let me know the person at MEUS who should receive the subpoena or whether you will accept service on behalf of MEUS.

Sincerely,

Sean P. Gates
