Our Mission:

- Support the College's instructional and research programs through ownership of or access to appropriate print and computerized resources.
- Provide assistance to Fort Leavenworth and other DOD offices and installations in their search for useful information resources.
- Promote the better understanding of effective ways to use these resources by soldiers, their families, and DOD Civilians.

The CARL is a recipient of the Federal Library of the Year Award given by the Library of Congress.

RENOVATION

INFORMATION

The CARL is now open in our temporary facility. The main entrance is just off the intersection of Gibbon and Sedgwick.

We expect to be back in our newly renovated Eisenhower Hall location by next spring.

CARL

The Combined Arms Research Library is here to help you discover all the information and entertainment you are looking for.

The CARL's collection specializes in all aspects of military art and science: joint and combined operations, tactics and doctrinal development, leadership, intelligence, weapons, equipment, and training.

The Library is also an inviting place for children and their families to explore our collections of popular fiction, young adult fiction, children's books, audio books and DVDs, as well as web based eBooks and downloadable audio books. Don't miss popular children's programs such as Storytime (starting in September), and Summer Reading Program events.

Services for students include research help, interlibrary loan, and copyright assistance.

Over the years, the library has grown with its users and today serves a community diverse in interests, needs, and age. We look forward to serving you now and in the future.
