A Quick Look at the Project on Civic Reflection

What We Do

- **Facilitate civic reflection discussions** with staff, volunteers, youth, and others to deepen civic engagement.
- **Train facilitators** at one and two-day workshops locally and nationally.
- **Develop resources** for civic reflection, including publications like *The Civically Engaged Reader* and *Hearing the Call across Traditions: Readings on Faith and Service*, as well as online resources.
- **Consult on program development** and support facilitators in leading discussions and kicking off programs in their communities.

How We Started

We began in 1998 as a grant program at Valparaiso University, with funding from Lilly Endowment, Inc. We now have offices in Chicago, IL and Valparaiso, IN, and trainers and facilitators all across the country.
