KTIA—Treaties and International Agreements

- b. All Program K TAGS begin with the letter K. In SMART, Program K TAGS support dissemination and retrieval and must be used in conjunction with at least one Subject TAGS.

**Examples:**

**"Muslim Life in America TV Co-op" report**

TAGS:

OPRC (Public Relations and Correspondence)

KPAO (Public Affairs Office)

**US/Kazakhstan government communications on arms control treaties**

TAGS:

**UNCLASSIFIED (U)**

U.S. Department of State Foreign Affairs Manual Volume 5 Handbook 3  
TAGS/Terms Handbook

- PARM (ARMS Controls and Disarmament)
- PREL (External Political Relations)
- KACT (Strategic Arms Control (ACS) Treaties)

c. Direct all requests for new Program (K) TAGS to:

Department of State  
Agency Records Officer  
SA-2  
A/GIS/IPS/RA  
Room 5009  
Washington, DC 20037  
or call 202-261-8424

d. To ensure consistency among Program TAGS, the program managers and the Records Administration (A/GIS/IPS/RA) personnel work together to develop new K TAGS. The following K TAGS acronyms are used to identify programs that are reported along with appropriate Subject TAGS.

TAGS/Terms Handbook

*Action Office: S/WCI*

Use for all documents relating to atrocities, massacres, and war crimes, including allegations, reports, investigations, and prosecutions of genocide, crimes against humanity, grave breaches of the Geneva Conventions, and violations of the laws or customs for war. Also use appropriate Subject TAGS.

### **KBCT: Arab League Boycott**

*Effective October 1992; revised April 2000*

*Action Office: NEA/RMA*

Use on all documents dealing with the Arab League boycott of Israel, its administration, impact, amendment, and eventual elimination. Also use appropriate Subject TAGS.

### **KCCP: Classified Connectivity Deployment Program**

*Effective May 2000*

*Action Office: IRM/OPS/ITI/GITM*

Use on all documents relating to the remote access, remote connectivity to local area networks or connectivity to other classified networks for classified email, Intranet browsing, data/files storage, etc. Also use appropriate Subject TAGS.

### **KCFE: Conventional Armed Forces in Europe**

*Effective August 1989*

*Action Office: EUR/RPM*

Use on all documents between U.S. Vienna and the Department pertaining to CFE negotiations; documents pertaining to conventional forces in Europe including both Eastern and Western forces, their structure, posture, changes, etc.; documents pertaining to allied and Warsaw Pact conventional arms control positions, plans and related internal political situations, documents referring to the High Level Task Force (HLTF) or its subgroups; and all documents discussing congressional delegation visits to Europe that will address conventional arms control issues.

### **KCIP: Critical Infrastructure Protection**

*Effective August 2001*

*Action Office: Appropriate Bureau*

Use for all documents reporting on critical infrastructure protection (CIP) issues, which are defined as vulnerabilities and threats, both physical and cyber, to systems and assets (particularly interconnected information systems and networks) so vital to a nation that their incapacity or destruction would have a debilitating impact on national security, national economic security, and/or national public health and safety. Use for reporting of CIP issues both as they

U.S. Government programs to combat them. This includes international criminal organizations; money laundering and other financial crimes; illicit trafficking including alien smuggling and gun running; international stolen property theft and fencing rings; international frauds and commercial crimes; UN crime meetings and anti-crime programs; and interaction with international and regional organizations on these issues. U.S. assistance covers training of host country judicial and law enforcement agencies. Use this K TAGS with the Subject TAGS SOCI. Distinguish the use of this TAGS from AID-funded administration of justice programs in Latin America (KJUS), anti-narcotics issues and programs (SNAR), and anti-terrorism issues and programs (PTER).

### **KCRS: Coordinator for Reconstruction and Stabilization**

*Effective December 2004*

*Action Office: CSO*

Use on documents related to reconstruction and stabilization (R/S) planning and operations in failing, failed, and post-conflict states. R/S operations are defined by external efforts to intervene in or administer a territory to help stabilize and reconstruct a society in transition from conflict of civil strife so it can reach a sustainable path towards peace, democracy, and a market economy. R/S operations include the following sectors: transitional security, rule of law, governance and participation, economic reconstruction, humanitarian assistance, rebuilding of infrastructure, operations planning, and mission management. The United States (civilian or military), an international organization, a multilateral body, or a coalition can lead R/S operations. They are distinct from normal bilateral operations aimed at promoting economic and democratic development, due to an extraordinary international presence (proposed or actual) that assumes some authority normally exercised by a host government. Also use appropriate Subject TAGS.

### **KCSY: Consular Systems**

*Effective July 1995*

*Action Office: CA/EX/CSD*

Use on all documents relating to the development, testing installation, and maintenance of consular automated systems.
