

2001 Proved Reserves for Entire Appalachian Basin

| Basin | Number of Fields | Total Liquid Reserves (Mbbbl) | Total Gas Reserves (MMcf) | Total BOE Reserves (Mbbbl) |
|--------------------|------------------|-------------------------------|---------------------------|----------------------------|
| Appalachian | 3354 | 79,141 | 9,550,156 | 1,670,834 |

The reported oil and gas field boundary outlines were created by the Reserves and Production Division, Office of Oil and Gas, Energy Information Administration pursuant to studies acquired by Section 204 of the Energy Policy and Conservation Act (repealed in 2000 P.L. 106-461). The boundaries are not informed by subsurface structural information. The data and methods used in the creation of this report are detailed in a report, "Scientific Inventory of Onshore Federal Lands' Oil and Gas Reserves and Reserves and the Status and Nature of Reservoirs to Their Development" prepared by the U.S. Department of Interior, Agriculture and Energy.

Map compiled September 2006; projection is UTM-18, NAD-2011.
