**I declare UNDER PENALTY OF PERJURY that:**

1. I am the owner, or an agent authorized to act on behalf of the owner, which owner's name is \_\_\_\_\_ ("IP Owner"), of the following copyrighted work:

Identify, in sufficient detail, the copyrighted work that you claim has been infringed upon, including providing any registration number or other identification, if available. Attach applicable documents, if any.

2. I have a good faith belief that the content on LinkedIn's website described below is not authorized by the IP owner, its agent, or the law, and therefore infringes the IP Owner's rights:

Identify the content on LinkedIn's site that you claim is infringing the copyright identified above:

Where does the alleged infringing material appear on LinkedIn's site? Please provide the name of the profile or group and the URLs to help us locate the content you are reporting:

Please describe how the content infringes your rights (this question may assist us with processing your claim and eliminate the potential need for follow-up questions should your notice be unclear):

Identify, if possible, information sufficient to permit LinkedIn to notify the user/administrator of the allegedly infringing content:

3. I acknowledge that this Notice, including my contact information, may be provided to the LinkedIn user or users associated with the alleged infringing content.

4. I may be contacted as follows:

My Name:

Telephone:

Company or Other IP Owner (if different from me)

Email:

5. The information that I have provided in this Notice is accurate.

Electronic or Physical Signature:
