

Introducing Another Way to Save!

What saves
time
and
money?

Commissary Rewards

Less than 1% of all printed coupons are redeemed each year, so from an environmental stand point, offering more coupons digitally is the right thing to do. Save time, save money and save trees.

Introducing Commissary Rewards!

Select Coupons. Shop. Save.

It's as easy as ...

1 Registration Get your card in store. Visit Commissaries.com to enroll.

2 Click Offers Once enrolled, you can find and select digital coupons at Commissaries.com.

3 Save in Stores After you are finished shopping, redeem your coupons by scanning your rewards card or entering your Alternate ID.

You can always view your coupons and any new available coupons at Commissaries.com.

Your coupons are electronically matched against your purchases and automatically deducted from your bill.

Commissary Rewards is a faster, simpler and more convenient way to shop and save. You no longer need to spend countless hours each week searching for coupons, because the best coupons are consolidated and delivered to you. Plus, you no longer need to worry about forgetting your coupons at home because your coupons are digitally stored. All you need to do is provide your rewards number at checkout to redeem your selected coupons.

It's that simple. Sign up today at:
