This bulletin pertains to:  
All FAR Part 139 airports

## **AOPA Runway Safety Program**

The AOPA Web site offers a brief online Runway Safety course that you may find helpful. It is mostly designed for the pilot, however, vehicle operators can also benefit. We suggest you share this information with your tenants, especially any tenants who have maintenance facilities on the airport, any military facilities, ARFF personnel, airport personnel, etc.

You can access this course at:

<http://flash.aopa.org/asf/runwaySafety/>

Sincerely,

Your Airport Certification and Safety Team  
FAA Southern Region, Airports Division
