DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,
October 2, 2009.

I hereby appoint the Honorable DONNA F. EDWARDS to act as Speaker pro tempore on this day.

NANCY PELOSI,
Speaker of the House of Representatives.

PRAYER

The Chaplain, the Reverend Daniel P. Coughlin, offered the following prayer: Lord God, through the Holy Scriptures You speak to Your people. These pages are not just to be pursued for personal delight but tell the story of Your interaction with Your people throughout the ages.

As people of the Book, we will see Your prophetic and apocalyptic proclamations fulfilled in our time. Either Your words of promise or condemnation will ring true to our hearing or the consequences of our own actions will be revealed as reading in a mirror.

Keep us ever attuned to Your ancient wisdom. May Your Holy Word teach us how to bring ideals to flesh-and-blood reality and how to forgive one another with compassionate understanding.

Guide this government and the people of this Nation by Your spirit, to

hear You, respond and face judgment, now and forever. Amen.

PERSONAL EXPLANATION

HON. LINDA T. SÁNCHEZ

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2009

Ms. LINDA T. SÁNCHEZ of California. Madam Speaker, unfortunately, I was unable to be present in the Capitol for two votes on Wednesday, September 16, 2009. However, had I been present I would have voted “yea” on H. Res. 746, a rule providing for consideration of H.R. 3221—the Student Aid and Fiscal Responsibility Act of 2009, and “yea” on H. Res. 260, supporting efforts to reduce infant mortality in the United States.

TRIBUTE TO DR. EZELL PITTMAN AND THE RIDGEWOOD FOUNDATION

HON. JAMES E. CLYBURN

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2009

Mr. CLYBURN. Madam Speaker, I rise today to pay tribute to the Ridgewood Foundation and its longtime tour coordinator Dr. Ezell Pittman. This Foundation was established to enhance the lives of residents in the Ridgewood community—physically, educationally and economically. Over the years, however, it has earned a reputation as being much more. In 1990, the late Reverend Levi Chavous who was a good friend of mine and pastor of Ridgewood Missionary Baptist Church for forty years founded the Ridgewood Foundation in consultation with Ms. Glenice Pearson. Their mission was to help better the communities that surrounded their church.

The first challenge was to raise money for the Ridgewood Foundation. In 1993 Mrs. Deborah Breedlove, who served as the financial advisor, and the late Mrs. Mamie Floyd, a retired school teacher and community activist, organized a three-day trip to Potomac Mills in Virginia, the National Mall and the Frederick Douglas Museum in our nation’s capitol. The trip was such a resounding fundraising success that Dr. Ezell Pittman, a retired public servant, was enlisted to serve as the tour coordinator for the Foundation.

Funds raised by the organization were used to provide introductory computer classes for seniors, a hypertension and diabetes program in the Ridgewood community, and scholarships for students graduating from Eau Claire High School. In the early years, the trips were promoted by asking the executive directors of the Aiken, Columbia and Florence Housing Authorities and the Columbia Urban League to sponsor youth to travel with the Foundation.

Dr. Pittman took on his task of tour coordination with great zeal, and after the first Washington, DC area trip, subsequent four and seven-day trips were planned. Since 2001 four fundraising trips lasting fourteen days or

longer benefitting the Ridgewood Foundation have been undertaken from coast to coast. Under Dr. Pittman’s leadership, the Foundation has taken travelers to the 48 continental states, Eastern Canada and Mexico. The trips have included travelers from South Carolina, Georgia, Florida, Virginia, Maryland, Delaware, and New York.

After fifteen years and numerous trips, Dr. Pittman is relinquishing his position as tour coordinator for the Ridgewood Foundation. His service to the Foundation has been invaluable and his commitment over the last 15 years has been greatly appreciated.

Madam Speaker, I ask that you and our fellow colleagues join me in commending Dr. Ezell Pittman for his service to the community of Ridgewood and to the Foundation that helps support its quality of life. The Ridgewood Foundation will continue its good works, and its members will continue to follow the wonderful example set by Dr. Pittman.

EARMARK DECLARATION

HON. ZACH WAMP

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2009

Mr. WAMP. Madam Speaker, as a leader on earmark reform, I am committed to protecting taxpayers’ money and providing greater transparency and a fully accountable process. The Conference Report on H.R. 3183, The Fiscal Year 2010 Energy and Water Appropriations Act contains the following funding:

Requesting Member: Rep. ZACH WAMP
Account: U.S. Corp of Engineers—Construction

Legal Name Requesting Entity: U.S. Corp of Engineers—Nashville District

Address: U.S. Army Corps of Engineers, Nashville District at 110 9th Avenue South, Nashville, Tennessee

Description of Request: The Chickamauga Lock is a major economic engine in the Tennessee Valley region. Commodities passing through the lock have origins and destinations in 17 states in the South, Midwest and Mid-Atlantic regions, traveling an average 1,400 miles. Over the last several years, 2.5 million tons passed through the lock annually, and the forecasted traffic demand is expected to grow considerably. The U.S. Army Corps of Engineers indicates that replacement of the existing lock is far more economical than continuing costly maintenance and repair. Funding in the amount of \$1 million is included for the U.S. Army Corps of Engineers, to replace the Chickamauga Lock.

Distribution of funding: Construction 100%
Requesting Member: Rep. ZACH WAMP
Account: U.S. Corp of Engineers—Operations and Maintenance

Legal Name Requesting Entity: U.S. Corp of Engineers—Nashville District

Address: U.S. Army Corps of Engineers, Nashville District at 110 9th Avenue South, Nashville, Tennessee

Description of Request: The current Chickamauga Lock has been in operation on the Tennessee River since 1940 and is a major economic engine in the Tennessee Valley region. As use of the lock is increasing, the infrastructure is severely aging, jeopardizing its ability to support additional traffic loads. An extensive maintenance program, well beyond what is normally conducted, is underway to extend the life of the current lock until the replacement lock can be built. Funding in the amount of \$3.775 million is required for the U.S. Army Corps of Engineers to fix and replace gates, pumps, piping and tension connections to the guide wall.

Distribution of funding: Maintenance 100%

Mr. CANTOR. Madam Speaker, I am proud to recognize Orange County, Virginia as it celebrates its 275th anniversary.

Orange County is located northeast of Charlottesville, and is the birthplace of President Zachary Taylor and the home of President James Madison's estate at Montpelier. Award winning wineries and breathtaking views of the Blue Ridge Mountains can also be found here.

Orange County was a strategically important location during the American Civil War. Just north of the town of Orange, the Rapidan River was effectively the northern border of the Confederacy for several years. Consequently, the area witnessed countless troop movements, patrols, skirmishes, and encampments. In addition, the town of Orange served as General Robert E. Lee's headquarters during that time. In fact, General Lee worshipped

at the St. Thomas Episcopal Church on Caroline Street, which still stands today.

The county continued to thrive into the twentieth century, although fire destroyed much of the eastern part of the town of Orange in 1908. However, many of the buildings constructed shortly after the fire still remain. In fact, Orange was well-known for its silk mill, which produced many of the parachutes used

by U.S. troops during World War II. The silk mill finally closed in the 1970s, but the building still remains and is used by local businesses.

Orange County residents will celebrate and honor their heritage and 275 years of history with events and activities throughout the year. In conjunction with the Fall Fiber Festival at Montpelier, the Gordonsville Street Festival, and other county-wide events, the town of Or-

ange will have a Blues Festival on Main Street on October 3rd to mark the anniversary.

Madam Speaker, please join me in congratulating the fine citizens of Orange County as they celebrate this anniversary and wishing them the best for their continued growth and success.
