LOGTECH Program in Advanced Logistics and Technology
DoD Center of Excellence in Logistics & Technology (LOGTECH)
University of North Carolina at Chapel Hill

Eligible Grades	GS-13 through GS-15 (Note: High-potential GS-12s may also be considered)
Program Length	5 ½ days
Location	The University of North Carolina at Chapel Hill's Paul J. Rizzo Conference Center, Chapel Hill, North Carolina
Funding	Tuition, travel, and per diem are centrally funded through Army Materiel Command (DoD Executive Agent for LOGTECH)
Course Dates	Jan 27-Feb 1, 2013 Mar 24-29, 2013 May 5-10, 2013 Aug 4-9, 2013 Sep 22-27, 2013
Course Description	The purpose of the program is to facilitate the transformation of DoD logistics by introducing participants to leading-edge developments in logistics thinking in DoD, academia, and industry. The program also promotes the exchange of ideas within the greater logistics community toward the objective of enhancing the National Defense posture. The program exposes the participant to such topics as the following: Production Life Cycle for Design and Maintenance; Fundamentals of Supply Chain Management; Performance-Based Logistics; Business Transformation; Supply Chain Activity; Logistics Modernization Program; Enterprise Resource Planning; Global Combat Support System; and a platform to discuss other real-world issues. Case studies from both Defense and Industry are reviewed, analyzed, and discussed with regard to concepts, policies, applicability to the DoD environment. Guest speakers, group exercises and computer-based models are used to stimulate and explore "out-of-the-box" thinking about the future of logistics. Participation in pre- and post-program web-based learning activities is required.
Additional Information	• **Experience Requirement:** Nominees must have at least 12 months of experience in a logistics or logistics-support career field. • **Education Requirement:** None specified • **Security Clearance Requirement:** None specified • Participants will be lodged on the UNC campus. Information will be provided by Army Materiel Command prior to the course start date. • A welcome dinner/reception begins on Sunday evening at 1800 hours. Class concludes on Friday at 1300 hours. Dress is business casual for all participants. • Travel order must state lodging and meals are included in tuition
Nomination Process	Please refer to guidance on the EDP home page. In addition to the DLA nomination and executive sponsorship endorsement documents, the following items must be included in your nomination package to receive consideration:

1) Current biography *(tailored for non-DLA audience)*
   a. Note: Biography examples can be found on DLA Today under "Leadership."
2) Logistics Problem Statement Form
   a. Description of a current/anticipated logistics challenge/problem the Agency faces, or the solution to a recent problem. Provide background information and possible solutions, if appropriate. Your statement may be used for class discussion with participants from other Services and industry.
3) Copy of most recent Standard Form 50, Notification of Personnel Action
4) SF 182, Authorization, Agreement, and Certification of Training). This training form must accompany the nomination package but will only be processed if the nominee is selected to attend the course.

Selection Decision   The DLA Executive Resources Board reviews nominations and makes the final selection decision.

Web Site   For additional information about the course, please refer to the LOGTECH web page at http://www.logtech.org/. Follow links to Executive Education.
