~ Ali Jason, Instructor, Beverly Hills High School

"I would like to thank you and your assistant for the GREAT tour of the Federal Reserve Bank (FRB) that you gave all 44 of us from Santa Catalina. Getting to see the vault was a great bonus. We had a wonderful day in San Francisco doing all sorts of things; however, when questioned the majority of the students indicated that their favorite for the day was the FRB...I hope we will be able to be back next year."

~ Mike Raggett, Instructor, Santa Catalina High School
