### **GLWACH civilian health care consortium meeting**

**FORT LEONARD WOOD, Mo.** – General Leonard Wood Army Community Hospital’s monthly Health Care Consortium is scheduled to meet Aug. 14 at GLWACH’s Command Conference Room 155-21, located at the southwest corner of the hospital’s main floor.

The meeting serves as a consumer advocate board in which the unit and community representatives have direct feedback to the Medical Department Activity commander and staff concerning the type and quality of care provided. Participants are invited to provide input to healthcare delivery policy and to promote communication between the medical treatment facility and its beneficiaries.

Individual patient concerns are not addressed in the meeting and should be directed to the Patient Representative Office located in Room 123 of the hospital, or by calling 573-596-0418.
