Engineers deploy in support of NATO training mission

FORT LEONARD WOOD, Mo. – The 94th Engineer Battalion is set to host a deployment ceremony at 3 p.m. Sept. 12 for a platoon of Soldiers who are scheduled to depart for Afghanistan in support of a North Atlantic Treaty Organization training mission.

The ceremony is scheduled to take place at the Engineer Memorial Grove on post. The inclement weather location is Cunningham Gym.

The unit's primary mission is to provide infrastructure training and serve as an advisory group to the local nationals in Afghanistan.

The 94th Engineer Battalion plans, integrates, and directs the execution of general engineering and construction missions. The 94th Engineer Battalion is a part of the "Dauntless" 4th Maneuver Enhancement Brigade, 1st Infantry Division "Duty First."
