MEMORANDUM FOR RECORD

SUBJECT: Rental Vehicle Recommendation

1. It is highly recommended that any student attending the MSCoE Noncommissioned Officer Academy at Fort Leonard Wood be authorized to travel by POV, with in and around mileage or a rental vehicle. There are daily events that require their attendance in and around Fort Leonard Wood which would not be practical by foot and taxis are the only modes of public transportation on Fort Leonard Wood.
2. We have been advised to inform all perspective Students that the chances of living at off post locations in hotels and motels is highly likely. An extremely high volume of students are expected this cycle for all courses, and Fort Leonard Wood cannot house them.
3. Students may be billeted at one of five locations on Fort Leonard Wood, because of the privatization of the Army Lodging (PAL), they are not in the business of keeping classes together. Due to the high volume of students, a student may be referred to a hotel off the installation in the nearby communities. Additionally, accountability and Physical Readiness Training (PRT) are conducted at the main Post Exchange and other locations during the course, installation NCOPD, and classes across post all of which would require travel by POV.
4. Point of contact is the undersigned at (573) 563-8023.
