

Benjamin Ling

*Head of Google Checkout,
Google*

Mr. Ling is the head of Google Checkout, acting as general manager of the virtual business unit for Checkout. After joining Google in 2004, he founded and led Google's mobile efforts, Trust and Safety Group, and Google Checkout. Before Google, he worked in enterprise software at Epiphany. He has been a researcher at IBM Almaden Labs, Hewlett-Packard Labs, Sun, Inktomi, TellMe Networks, and Tandem. While earning his Ph.D. at Stanford University, he was a Department of Defense fellow.
