(Service Pack 5 or higher)
Internet Explorer 4.0 or higher
Laser or Inkjet Printer for printing

Testimonials

"It is wonderful to be able to complete several SEDs and make just one online filing. This saves time and money on connection."

-----Ruben Martin
Ricoh Logistics System Co., Ltd.,
West Caldwell, NJ

"AESPCLink is very easy to use. I could leave it open all day, continue to add or change SEDs throughout the day without worrying that my Internet service would be interrupted. You can send everything at the end of the day in one transmission."

-----Jennifer Peaslee
Axiohm IPB, Inc.
Ithaca, NY

Issued September 2001
FTD/01-AESPC

U S CENSUS BUREAU
Helping You Make Informed Decisions

Now you can prepare your Shipper's Export Declaration (SED) information FREE... from your PC!

AESPCLink—The convenience of PC data entry of SED data.

Why should you use AESPCLink?

AESPCLink is a **FREE**, easy-to-use, self-installing CD-ROM or downloadable file that is a component of AESDirect. As an authorized user of AESDirect, you can now enter, edit, and quickly validate your SED information offline from your PC.

How does AESPCLink work?

When installed, AESPCLink runs in a Desktop Windows environment. As a component of AESDirect, AESPCLink connects the authorized user to the Internet to access AESDirect for easy transmission of data.

What else can AESPCLink do?

AESPCLink let's you:

- Create and maintain SED templates. The templates that you can create with AESPCLink also are an easy way to create new SEDs for transmission to AESDirect.
- Maintain profile information on USPPI, consignees, and freight forwarders offline on your PC.
- Maintain reference codes and tables required by AESDirect offline on your PC.
- Upload batch transmissions of data to AESDirect.
- Maintain export shipment data in a format that is consistent with AESDirect.
- Retrieve shipments, delete shipments, and access reports from AESDirect.

Best of all, it's **FREE!**

So, if you aren't already a registered user of AESDirect, why not sign up today and join thousands of companies that enjoy the convenience, speed, and accuracy of submitting SED data. AESPCLink, for easy electronic reporting of SED information... and it's **FREE!**
