FAIR HOUSING / FAIR LENDING FORUM
"Protecting Communities From Predatory Lending Practices"

In commemoration of the 34th anniversary of the National Fair Housing Law, Title VIII of the Civil Rights Act of 1968, the City of Dallas Fair Housing Office and Freddie Mac invite you to the City of Dallas' first predatory lending educational forum.

Local government housing agencies, fair housing agencies, non-profit affordable housing providers and community development cooperation and housing counseling agencies are invited to participate in work sessions on the Nuts and Bolts of anti-predatory lending and your legal rights and remedies. It is important that we work together to eradicate predatory practices that threaten our communities.
