

# TRICARE® Prime Enrollment Fees

## Fiscal Year 2013 Update

On October 1, 2012, TRICARE Prime enrollment fees will increase. TRICARE Prime annual fees increased last year for new enrollees for the first time since the program began. For fiscal year 2013 (October 1, 2012–September 30, 2013), most existing enrollees will see a slight increase, which was calculated based on the calendar year 2012 Cost-of-Living Adjustment (COLA) of 3.6 percent. Moving forward, TRICARE Prime enrollment fees will be subject to increases each fiscal year based on the COLA for the calendar year, as authorized by the National Defense Authorization Act for Fiscal Year 2012. Fees are outlined in the table below.

Retired service members and their eligible family members, survivors, and former spouses pay TRICARE Prime enrollment fees, which are applied to the annual catastrophic cap. There are no enrollment fees for active duty service members and active duty family members enrolled in TRICARE Prime, TRICARE Prime Remote, or TRICARE Prime Remote for Active Duty Family Members.

### EXCEPTIONS FOR SURVIVORS AND MEDICALLY RETIRED SERVICE MEMBERS

An exception to the fee increase applies to survivors of active duty deceased sponsors and medically retired uniformed service members and their dependents. Their fees remain frozen at the rate in effect at the time they are classified in the Defense Enrollment Eligibility Reporting System (DEERS) as survivors or medically retired and enrolled. Fees remain frozen as long as there is no break in their TRICARE Prime enrollment.
