Director's Notes

4 October, 2012

Greetings,

On Monday, 8 October, we will celebrate Columbus Day in remembrance of Christopher Columbus' arrival to the Americas on October 12, 1492 and the discovery of our great nation.

It is also a long holiday weekend giving us an opportunity to travel and enjoy some of the beautiful scenery in Europe. Whatever your plans may be for the holiday weekend, safety must be at the forefront.

Safety must always be top priority. Every member of the Garmisch-Partenkirchen Community is a precious resource without whom our mission can be accomplished. Be a leader, set the example for others to follow and look out for your friends, Family, and colleagues.

There will be a fireworks show at dark (2130) on Saturday, 6 October sponsored by the

Edelweiss Lodge and Resort. Come to Sheridan Barracks and watch the wonderful array of lights in the sky. The display lasts about 15 minutes. You can also see them from the meadow outside the gates.

We will be conducting our Army Family Action Plan Conference (AFAP) on 17-19 Oct at the Pete Burke Community Center. This is a process designed to identify and seeks solutions for significant issues that affect the well-being of Army members. All issues that cannot be resolved at the local level will be forwarded to the next level for additional input and resolve. Please join us for the AFAP Out-Brief on 19 October at 1000 in the Pete Burke Community Center.

Remember, we are a TEAM - Together Everyone Achieve More!

Maureen Riggs
Deputy Garrison Manager
"It's Great to be Here!"

Constitution Day Celebration

Red, White and Blue were the colors of the day as Garmisch Elementary Middle School celebrated Constitution Day. An assembly was held for students and parents as grades K-5 presented songs, recitations and facts about the U.S. Constitution. The Kindergarten class had been working hard to learn the Pledge of Allegiance and they premiered it by leading the entire school in the Pledge. Next up, first graders stuck some feathers in their caps as they sang "Yankee Doodle". Second and third graders performed "You're a Grand Ol Flag" and "This Land is Your Land". Third graders also recited the Preamble to the Constitution. Fourth and Fifth graders closed the assembly with a rousing rendition of "Fifty Nifty United States" written by Ray Charles.

Sponsorship Training

Have you been assigned to sponsor an incoming individual to your organization and are unsure as to just what exactly you are expected to do? ACS is offering Sponsorship training on Wednesday, 24 October from 1300-1400. Sponsoring a new Service Member or Civilian employee and their family is a vital part of their relocation process. the difference in the world to the newcomer in making their transition a smooth and welcome one. Spouses are welcome to attend to make the Sponsorship process a family affair.

An alternative to the classroom training is the on-line eSponsorship training. It can be accessed from a government computer at <http://apps.mbf.dod.mil/esa1> or from a personal computer by accessing MilitaryINSTALLATIONS at <http://www.militaryinstallations.dod.mil>; select Garmisch as the installation and go to the Sponsorship article. The training is designed for anyone assigned to or accepting the role and responsibilities of sponsorship. It is a quick, user friendly training and assists with the sponsorship responsibilities by providing additional links to important resources.
