Chapter 1 Introduction

Section I Overview

1-1. Purpose

This regulation prescribes the policies and mandated operating tasks for the leave and pass function of the Military Personnel System. It provides a single-source operating document to the field, and as such, is binding on all communities involved in granting leaves and passes. This regulation establishes standards and provides an operational document in a logical sequence.

1–5. Statutory authority

Leave for members of the Armed Forces is governed by sections 701, 702, 703, 704, 705, 706, 708, and 876a, title 10, United States Code (10 USC 701, 702, 703, 704, 705, 706, 708 and 876a). Pay and allowances provisions pertaining to leave status are governed by sections 501, 502, 503, and 504, title 37, United States Code (37 USC 501, 502, 503, and 504) and section 707, title 10, United States Code (10 USC 707).

1–6. Manpower resources

The Manpower Staffing Standards System includes the military personnel function of leaves and passes at the battalion S1 (BNS1) work center. The manpower authorizations will be determined using the workload factors (steps in this regulation) in this regulation.

1–7. Levels of work

Most personnel work in the field is performed at three primary levels: unit, battalion, and installation (or some equivalent in the tactical force). This regulation provides guidance to those levels and prescribes the work center required to perform the work for manpower purposes.

Section II

Principles and Standards

1–8. Principles of support

The Military Personnel System will direct a function to—

a. Provide Soldiers maximum use of leave to support health, morale, motivation, and efficiency.

b. Support the Army's personnel life cycle function of sustainment.

1–9. Standards of service

The leave and pass program will operate under the following standards:

a. Leaves and passes—

(1) Are a wartime function.

(2) Are resourced in tables of organization and equipment at BNS1 level.

(3) Accompany the tactical force when deployed.

(4) Are the functional responsibility of the Personnel Operations Work Center (and its tactical counterpart).

b. The annual leave program will be established based on paragraph 2–2.

Chapter 2

Policy for Leave

Section I

Background

2-1. Military requirement for leave

- a.* The Army leave policies are an important command requirement and care must be taken to prevent misuse of leave.
- b.* The frequent use of leave will make a positive contribution to morale, level of performance, and career motivation.
- c.* Operational missions and essential supporting functions of each command must be accomplished to the extent permitted by the manning provided.
- d.* Leave will be granted within the constraints of operational military requirements and to the degree of support for leave provided in the unit manning document.

2-2. Annual leave program

- a.* The leave and pass program is designed to allow Soldiers to use their authorized leave to the maximum extent possible.
 - b.* Commanders will establish an annual leave program to manage leave designed to provide—
 - (1) The maximum opportunity for all Soldiers to take leave to minimize loss and payment of leave not taken.
 - (2) A caution to Soldiers who do not take leave, that they may lose leave at the end of the fiscal year (FY). Also, Soldiers who maintain a 60-day leave balance, and wait late in the FY to take leave, will be informed that they risk loss of leave over 60 days if the operational situation requires their presence.
 - (3) Allowable leave within the constraints of operational military requirements and to the degree of support for leave provided in the unit manning document.
 - c.* In pursuing the maximum use of leave, commanders must place emphasis on granting leave—
 - (1) Upon permanent change of station (PCS).
 - (2) After periods of particularly difficult duty.
 - (3) After prolonged deployments.
 - (4) When there is evidence leave would improve health and morale.
 - (5) During a specified period to all Soldiers in a given unit. This type of leave is called block leave. (Commanders may authorize all Soldiers in a given unit to request leave during a specified period. Block leave is granted per local command policy when consistent with military requirements and is a chargeable leave period.)
 - (6) Upon reenlistment and accession to Regular status from active Reserve status.
 - (7) During traditional national holiday periods of Thanksgiving and Christmas.
 - (8) When Soldiers or their families have been personally affected by floods, hurricanes, and similar natural disasters. (Emergency leave may be appropriate, see chap 6.)
 - (9) For attendance at spiritual retreats or for other religious observances for which a pass is inadequate.
 - (10) During preprocessing period incident to release from active duty, including retirement, to the extent of unused leave.
 - (11) Together with a consecutive overseas tour (COT).
 - (12) To allow the use of an average of 30 days per year.
 - (13) To provide opportunity for leave to be taken as earned.
 - (14) To allow use of leave prior to separation. (It is not the intent of leave policy that large leave balances be accrued expressly for settlement upon Soldier's release from active duty (paras 2-4d and 4-21).)
 - (15) To key personnel by designating an acting commander or temporarily assigning appropriate medical personnel, by ensuring availability of civilian medical services, or by responsive transportation to other military or civilian medical facilities (AR 40-5 and AR 40-121) while key personnel are absent.
- d.* Soldiers undergoing treatment for an infectious or contagious disease will not be granted leave unless the attending physician verifies that the Soldier does not pose a threat to the public health. The verification will be provided to the Soldier's commander before leave is approved.

Section II

Accruing Leave

2-3. Leave accrual

- a.* Soldiers on active duty earn 30 days of leave a year with pay and allowances at the rate of 2 ½ days a month. This entitlement excludes periods of—

- (1) Absent without leave (AWOL), unless excused as unavoidable (see AR 630–10).
- (2) Confinement resulting from a court-martial sentence.
- (3) Confinement for more than 1 day while awaiting court-martial provided Soldier is convicted.
- (4) Excess leave.
- (5) Unauthorized absence because of detention by civil authorities (see para 2–4a).
- (6) Absence in custody of civil authorities under provisions of Article 14, Uniformed Code of Military Justice (UCMJ) provided Soldier is not entitled to receive pay and allowances (see DODFMR 7000.14–R).
- (7) Absence over 1 duty day due to use of drugs or alcohol or because of disease or injury resulting from Soldier’s misconduct.
 - b. Soldiers in a missing status under 37 USC 551 earn up to 150 days leave. This is in addition to any previous leave earned.
 - (1) Leave is not for use but is paid for (para 2–4).
 - (2) Soldiers who die while in a missing status earn leave through the date evidence of death is received by the Secretary of the Army (SA). The death may be prescribed or determined under 37 USC 555.
 - c. Except when authorized special leave accrual (see para 3–2), Soldiers may accrue and carry forward up to 60 days leave at the end of each fiscal year.
 - d. Accrued leave that exceeds 60 days at the end of the fiscal year is lost except as authorized in chapter 3.
 - e. Soldiers who continue on or are recalled to active duty after retirement may be authorized by the SA to have leave accrued before retirement that was lost to be recredited under 10 USC 701c. The SA may limit the use of consecutive days of leave granted based on operational requirements. Soldiers may not be prohibited from taking leave accrued during the new period of military service as a condition of the continuation or recall action.

2–4. Payment of accrued leave

- a. Payment of accrued leave is made per DODFMR 7000.14–R.
- b. Payment of accrued leave is made per 37 USC 501h for leave earned in a missing status (see para 2–3 for leave earned in a missing status). By law, payment of accrued leave is limited to 60 days one time during a military career, unless earned in a missing status or under subparagraphs *d* and *e* below.
- c. Settlement is made for leave days accrued to the actual date of death for Soldiers who die while in a missing status. Payment may exceed 150 days (para 2–3b).
- d. Payment of accrued leave is made per 37 USC 501b for leave earned by a Soldier of a Reserve Component, retired Reserve, or retired member of the Regular Army while serving on active duty in support of a contingency operation. By law, payment of accrued leave is limited to 60 days one time during a military career, unless earned under this paragraph. (See sub para *b* above or sub para *e*, below.)
- e. For Soldiers who die because of an injury or illness incurred while serving on active duty in support of a contingency operation, settlement of accrued leave is made per 37 USC 501d. Settlement of accrued leave in excess of 60 days is authorized regardless of any leave previously cashed-in.
- f. Payment of accrued leave is made to Soldiers who elect partial payment and carry forward a balance to new or extended reenlistment.
- g. Payment for accrued leave, for preceding period of service, is not authorized to Soldiers who elect to have all leave carried forward to new or extended reenlistment.
- h. Accrued leave is forfeited when Soldier is discharged before completing 6 months of active duty per 37 USC 501e when the discharge is based on unsatisfactory performance or misconduct under any of the reasons cited below.
 - (1) *Enlisted separation reasons.*
 - (a) Defective enlistments and inductions (underage and fraudulent entry only).
 - (b) Entry level performance and conduct.
 - (c) Unsatisfactory performance.
 - (d) *Rescinded.*
 - (e) Drug or alcohol abuse rehabilitation failure.
 - (f) Misconduct.
 - (g) Separation instead of trial by court-martial.
 - (h) Security (unless the Soldier receives an honorable discharge).
 - (2) *Officer separation reasons.*
 - (a) Separation for cause.
 - (b) Dropped from the rolls.
 - (c) *Rescinded.*
 - (d) Misconduct or moral or professional dereliction.
 - (e) Separation instead of trial by court-martial.

(f) Security (unless the Soldier receives an honorable discharge).

2-5. Subtracting leave credit

- a. Leave is subtracted for lost time, excess leave, or other nonpay status.
- b. Subtract 2½ days leave for each full month of absence.
- c. For part-month absence, use table 2-1 to subtract leave.

Table 2-1
Part-month leave credit

Date Separated		
or		
Days Lost or Minus	Add Credit	Enlistment/Reenlistment
Leave Balance	Subtract Credit	Add Credit ¹
1-6	½ day	2½ days
7-12	1 day	2 days
13-18	1½ days	1½ days
19-24	2 days	1 day
25-31	2½ days	½ day

Notes:

¹ Reenlistment. If a reenlistment within the same month as a separation would result in a leave credit in excess of 2½ days for the month, subtract the leave credit received on separation from 2½ days (maximum monthly leave credit) to arrive at the remaining credit for the month.

Example: Soldier separates on 5 July. Credit with 1/2 day leave. Soldier reenlists on 6 July. Credit with 2 days leave (2½ days maximum entitlement minus 1/2 day credit received on separation equals 2 days remaining entitlement).

Chapter 3

Special Leave Accrual

Section I

Overview

3-1. Concept

- a. The intent of special leave accrual is to provide relief to Soldiers who are not allowed leave when undergoing lengthy deployment or during periods of hostility.
- b. The leave program is designed to encourage the use of leave as it accrues rather than to accumulate a large leave balance. Soldiers who build their leave balance to the maximum level risk losing their leave should a situation occur that prevents or delays leave use.

3-2. Authorization

- a. Section 701f, title 10, United States Code (10 USC 701f) provides special leave accrual to Soldiers who meet the criteria in this section.
- b. Special leave accrual is authorized to Soldiers who served in an area in which he or she was entitled to hostile fire or imminent danger pay for at least 120 continuous days. (See DODFMR 7000.14-R for hostile fire or imminent danger locations). No additional criteria is required under this paragraph for approval.
- c. Soldiers assigned to a designated deployable ship, designated mobile unit, or other similar prescribed duty may be authorized special leave accrual if operational requirements prevented use of leave.
- d. Soldiers who meet all the following conditions may also qualify for special leave accrual:
 - (1) Deployed for a lengthy period, normally 60 or more days.
 - (2) Deployed to meet a contingency operation of the United States.
 - (3) Deployed to enforce national policy or an international agreement based on a national emergency or in the need to defend national security.
 - (4) Prevented from using leave through the end of the FY because of deployment.

Section II

Task: Requesting Special Leave Accrual

3-3. Rules to request special leave accrual

- a. The criteria in paragraph 3-2 are based on law. Therefore, exceptions are not permitted.
- b. Special leave accrual authorizes Soldiers to carry forward up to 90 days of leave at the end of an FY (60 days normal leave carry over plus 30 days special leave accrual).
- c. Commanders in the grade of O-5 or higher are the approval authority for Soldiers who serve at least 120 continuous days in an area in which the Soldier is entitled to hostile fire and imminent danger pay. Commanders will not approve special leave accrual until after the FY, when it becomes known how much leave Soldier will lose.
- d. Soldiers may continue to qualify for the 120-day requirement when hospitalized outside the designated area due to injuries resulting from hostile action. Qualification continues when the Soldier remains entitled to receive hostile fire and imminent danger pay.
- e. The CG, AHRC, is the approval authority for requests for special leave accrual for Soldiers who meet the criteria in paragraph 3-2 above. Requests must contain information in (1) through (11) below; otherwise, they will be returned without action. Requests will provide—
 - (1) Information why Soldiers were deployed for a lengthy period, normally 60 or more days, during fiscal year. (AHRC will consider requests that are less than 60 days if Soldier is deployed through the end of the fiscal year.)
 - (2) The date command was notified of deployment requirements.
 - (3) Who directed deployment requirement.
 - (4) Unclassified name of the operation, if applicable.
 - (5) The date the Soldier was notified of the deployment requirement.
 - (6) The date of departure on deployment and the date of return or projected return.
 - (7) Information concerning commander's annual leave program and the Soldier's ability to take leave during the fiscal year.
 - (8) The Soldier's leave schedule prior to notification of the deployment requirement.
 - (9) Whether the Soldier could have taken any leave after notification of deployment, and prior to departure on deployment. Explain.
 - (10) Whether Soldier could have taken any leave or can take leave while deployed. If not, what prevented or is preventing leave use.
 - (11) How many leave days Soldier lost or will lose at the end of the fiscal year.
- f. Leave accrual in excess of 60 days is credited only for use, not for payment.
- g. Accrued special leave accrual must be used before the end of the third fiscal year after the fiscal year in which the qualifying service ended. For example, if qualifying service terminated September 1990 (FY 90), Soldier must use leave by the end of the FY 1993 (30 Sep 93) or lose all accrued leave over 60 days.
- h. A portion of the leave balance that exceeds 60 days regardless of whether or not the Soldier was assigned to a designated activity cannot be approved. (For example, Soldier deployed to a designated activity on 15 September 1992. On that day, the Soldier had a leave balance of 80 days. On 30 September 1992, the Soldier had a leave balance of 82.5 days. Since the Soldier could not have reduced his or her leave balance to 60 days before 30 September 1992, the total accumulation (82.5) cannot be carried over. Only that portion, that could not have been taken, can be carried over. In this example, the Soldier would lose 6.5 days at the end of the FY (82.5 days minus 60.0 days leaves 22.5 days). From 22.5 days subtract 16.0 days (the number of days Soldier could have used before 1 October 1992).
- i. U.S. Army Reserve (USAR) active Guard Reserve Soldiers who qualify under this section must have their requests routed through the servicing military personnel organization to Commander, U.S. Army Reserve Personnel Center (ARPERCEN) for approval.

3-4. Steps to request special leave accrual

The steps for requesting special leave accrual are shown in table 3-1.

**Table 3–1
Requesting special leave accrual**

Step	Work center	Required action
1	Unit	Identify Soldiers who served in a hostile fire/imminent danger pay area for at least 120 consecutive days the previous year. (See note 1.)
2	CDR	Approve requests for Soldiers who meet criteria in paragraph 3–3.
3	Unit	Process approved requests to the servicing Finance and Accounting Office or equivalent.
4	Soldier	Requests special leave accrual.
5	CDR	Disapprove personal requests from Soldiers who clearly do not meet criteria (para 3–1). (See note 2.)
6	Unit	Use sample memorandum, figure 3–1 or DA Form 4187, to request special leave accrual for Soldiers who meet the criteria in paragraph 3–3.
7	Unit	Send request through chain of command, including MACOM, to Commander, AHRC, (TAPC–PDO), Alexandria, VA 22332–0474 for approval or disapproval after the end of the fiscal year.
8	Unit	Send active guard reserve requests through chain of command including MACOM directly to Commander, ARPERCEN, (DARP–AR), 9700 Page Boulevard, St. Louis, MO 63132–5200

Notes:

1. DODFMR 7000.14–R provides approved hostile fire and imminent danger locations.
2. Disapprove personal requests from Soldiers who clearly do not fall within approval criteria (para 3–1). These requests include, but are not limited to, Soldiers losing leave on an individual basis because of—
 - a. PCS.
 - b. Temporary duty (TDY) in performance of normal duties or training.
 - c. PTDY.
 - d. Hospitalization.
 - e. Assignment, detail, or TDY to special duties or projects, study group or similar duty.
 - f. Participation in scheduled training exercises.
 - g. Participation in sporting activities.

Exceptions may be granted under emergency or unusual circumstances as determined by the leave approval authority. The emergency or unusual circumstance must become known after Soldier terminates leave. For example, Soldier

terminates leave 2400 hours Friday and on Sunday Soldier becomes aware of a problem that requires him or her to begin another period of leave.

Section IV

Task: Developing Environmental Morale Leave Programs in Overseas Areas

4-7. Rules to develop environmental morale leave programs in overseas areas

a. Environmental morale leave is a chargeable leave program established at overseas locations to make use of space-available travel or commercial transportation.

b. EML is a unified commander's program and may be funded: per 37 USC 411c or nonfunded (paras 4-9 and 4-13).

c. Unified commanders develop EML programs for their area of responsibility when one or more of the following deficiencies exist:

(1) Extraordinarily difficult living conditions, including geographic isolation, inadequate commercial transportation, and lack of adequate cultural and recreational opportunities. Locations must be truly isolated, austere, or environmentally depressed to be designated for EML.

(2) Notably unhealthy conditions, including lack of public sanitation, inadequate health control measures, and high incidence of diseases and epidemics.

(3) Excessive physical hardship from climate, altitude, or dangerous conditions affecting life, physical well-being, or mental health.

d. Normally, environmentally depressed conditions are reflected by those overseas locations where the with-dependents tour length is 24 months or less (see AR 614-30).

e. Adverse economic conditions and cultural differences alone are not a basis for designating an EML duty location.

f. The adversity of economic conditions overseas is recognized by a system of station allowances. All overseas assignments necessitate adjustments for cultural differences.

g. Unified commanders must ensure that relief cannot be obtained from the adverse conditions by automobile, space-available military air, or commercial land, air, or sea travel without uncertainty in travel arrangements, hazard to personal safety, or inordinate expense.

h. EML is for Soldiers and their command sponsored dependents.

i. Except for "dependent restricted" tours (see AR 614-30), EML is normally not taken in the first or last 6 months of a Soldier's tour of duty. Major commanders or their designated representative at their command level may waive the 6-month rule on a case-by-case basis. Waivers are based on mission requirements and unique personnel considerations. Soldiers not on "dependent restricted" tours may submit a request to waive the 6-month rule containing the following information:

(1) Soldier's station.

(2) Date eligible for return from overseas (DEROS).

(3) Number of dependents who will be traveling on EML with the Soldier.

(4) Dates of desired EML.

- (5) The extraordinary circumstances that prevented or are preventing the use of leave during the normal timeframe.
- j.* The following will be used as a guide to develop the minimum required information to evaluate and establish funded EML locations and designations. Unified commanders must evaluate each of these items. They are encouraged to add additional comments and factors that bear on the proposed request. This documentation must be forwarded along with EML establishment request.
- (1) *Installation.* Identify the installation, the location of the installation, and the date that the documentation is prepared.
- (2) *Tour length.* The current tour lengths, both the accompanied-by-dependents and all-other tours length.
- (3) *Affected population.* By Military Service, list the number of officers, enlisted service members (with command-sponsored dependents), total number of command-sponsored dependents, and unaccompanied service members.
- (4) *Geography.*
- (a) Nearest community (town, population, distance, and driving time).
- (b) Nearest community with population of 10,000 or more (town, population, distance, and driving time).
- (c) If isolation is a contributing factor, explain.
- (5) *Climate.*
- (a) Temperature (highest, lowest, and annual average).
- (b) Humidity (highest, lowest, and annual average).
- (c) Precipitation (annual average) (snow and rain).
- (d) If climate is a contributing factor, explain.
- (6) *Location support.*
- (a) If location is not self-supporting, identify support base (base, distance, and driving time).
- (b) Note the nearest major U.S. installation (base, distance, and driving time).
- (7) *Medical support.*
- (a) Describe the medical and dental support and facilities at the location.
- (b) Describe medical and dental care available (internal medicine, obstetrics or gynecology, pediatrics, general surgery, and oral surgery).
- (c) Describe dependent medical and dental care available.
- (d) List the locations of nearest medical and dental facilities if not available at this location (include base, distance, and travel time).
- (8) *Commissary support.*
- (a) Describe U.S. commissary at this location.
- (b) If there is no commissary support at this location, describe the nearest available U.S. commissary.
- (c) Comment on civilian food market (availability, cost, and sanitation).
- (9) *Exchange support.*
- (a) Describe U.S. exchange at this location.
- (b) If there is no U.S. exchange available at this location, describe the nearest adequate U.S. exchange (location, distance, and travel time).
- (c) Comment on local civilian market (availability, food cost, and banking facilities).
- (10) *Education support.*
- (a) Comment on availability and accreditation status of dependent schools, to include location. (Include commuting time.)
- (b) Comment on off-duty education available to service members and dependents.
- (c) Comment on library facilities.
- (11) *Religious support.* Comment on available religious facilities and support.
- (12) *Recreational support.* Comment on available support and facilities both on and off base.
- (13) *Mail support.* Comment on average mail delivery time to and from the United States (air mail and surface mail).
- (14) *Social restrictions.* Describe nature and extent of any restriction on social life of service members (bachelor and married, accompanied and unaccompanied, and male and female), due to local customs, language, attitude of local population, Government restrictions, political climate, and so forth.
- (15) *Transportation support.*
- (a) Describe the in-country transportation systems.
- (b) Comment on the advisability or necessity of having a privately owned vehicle (POV).

- (e) Indicate costs for civilian transportation between the proposed EML duty location and destination.

- (f) Explain any unique difficulties.
- (g) Requirements for country clearance at destination.
- (16) *Comments.* Add any additional comments that should be considered.

- e. Except for "dependent-restricted" tours (see AR 614-30), EML is normally not taken in the first or last 6 months of a Soldier's tour of duty.
- f. Major commanders or their designated representatives at their command level may waive the 6-month rule on a case-by-case basis.
- g. Waivers are based on mission requirements and unique personnel considerations.
- h. Soldiers may submit a request to waive the 6-month rule containing the following information:
 - (1) Soldier's station.
 - (2) DEROS.
 - (3) Number of dependents who will be traveling on funded EML with the Soldier.
 - (4) Dates of desired funded EML leave.

Section IX

Task: Requesting Leave Together with Consecutive Overseas Tours

4-17. Rules to request leave together with consecutive overseas tours

- a. Leave together with COTs is a chargeable leave granted together with Army funded transoceanic travel and transportation per 37 USC 411b.
- b. Soldiers ordered to a COT at the same duty station or another overseas duty station are authorized COT leave.
- c. The new tour must be an authorized tour as prescribed by AR 614-30.
- d. Soldiers' and command sponsored dependents' travel entitlements are specified in JFTR, Volume 1, paragraph U7200.
- e. Travel is performed in a duty status (not chargeable as leave).
- f. COT leave—
 - (1) Normally will be used between the two tours of duty or Soldier may defer COT leave for personal reasons or losing or gaining commander may defer COT leave due to military necessity.

(2) Must be used between the two tours of duty when Soldier's PCS requires Soldier or dependents to traverse through CONUS, unless the losing or gaining commander defers COT leave due to military necessity.

(3) May be taken together with TDY.

(4) Is not authorized together with any other leave programs.

g. PCS orders will reflect in the additional instructions lead line that Soldier is authorized COT leave. (See AR 600-8-105 for completion of additional instructions lead line.)

h. For Soldiers authorized by subparagraph *f*(1) above to defer their COT leave or if the losing or gaining commander defers due to military necessity, the Soldier's PCS orders will reflect in the additional instructions lead line (see AR 600-8-105) that Soldier is authorized COT leave and the reason for deferral. Also, DA Form 31, block 30, will state whether Soldier deferred or the losing or gaining commander deferred COT leave, and that Soldier must take COT leave travel within the 1-year period from the date the Soldier reports to the new permanent duty station (PDS) or begins an in place consecutive overseas tour. If leave is not taken within this period, the entitlement is lost.

i. When COT leave is deferred, the first leave taken away from the Soldier's new PDS does not have to be Soldier's COT leave.

4-18. Steps to request leave together with consecutive overseas tour

The steps to request leave in conjunction with COT are shown in table 4-9.

Table 4-9
Requesting leave in conjunction with consecutive overseas tour

Step	Work center	Required action

3	Soldier	Check "other" on DA Form 31, block 7. After "other", post COT.
4	CDR	Approve leave unless precluded by military necessity (para 4-17).
5	Unit	If leave is deferred due to military necessity, post DA Form 31, block 17, and PCS orders additional instruction lead line (AR 600-8-105) with reason for deferral, whether the losing or gaining commander deferred and the following statement: "You must take COT leave within the 1 year period from the date you report to new PDS or begin another overseas tour at the same duty station. If leave is not taken during this period, COT leave travel is forfeited. Maintain your copy of this denial and provide it to your gaining commander to support COT leave travel authorization along with a copy of PCS orders authorizing COT". (See para 4-17f(1) and (2).)
6	Unit	If COT leave is deferred by Soldier, post DA Form 31, block 17, with reason for deferral and statement contained in Step 7 above.
7	Gaining CDR	If COT leave was deferred, advise Soldier when leave may be taken.
8	Soldier	If leave was denied between the two tours, request COT leave within the 1-year period from the date of reporting to new PDS or beginning another overseas tour at the same duty station (para 4-17f(1) and (2)).
9	Unit	Attach disapproved DA Form 31 for COT leave between the two tours of duty and copy of PCS orders authorizing COT.
10	Unit	Advise Soldier to retain the disapproved DA Form 31 for COT leave between the two tours of duty. (Soldier will need this document to substantiate a request for deferred COT leave.)
11	Unit	Follow leave processing procedures in paragraphs 12-1 and 12-3.
12	BNS1	Follow leave processing procedures in paragraphs 12-1 and 12-5.

Section X

Task: Requesting Reenlistment Leave

4-19. Rules to request reenlistment leave

a. Reenlistment leave is a chargeable absence.

b. The unit commander or designee is the approval authority.

c. Soldiers who reenlist, to include prior service replacement stream personnel, on completion of required training or evaluation of training requirements maybe authorized at least 30 days and up to 90 days reenlistment leave.

d. Reenlistment leave is the first leave taken after reenlistment, unless deferred due to—

- (1) Operational necessity.
- (2) Desire of Soldier.
- (3) Emergency leave taken.

4–20. Steps to request reenlistment leave

The steps to request reenlistment leave are shown in table 4–10.

Step	Work center	Required action

2	Soldier	Check “other” on DA Form 31, block 7. After “other”, post reenlistment.
3	CDR	Approve leave unless precluded by military necessity.
4	Unit	If leave is deferred due to military necessity, Soldier’s desire, or emergency leave, advise Soldier the next leave taken will be his or her reenlistment leave, unless further deferred because of reasons stated in this step.
5	Unit	If leave was denied due to military necessity, advise Soldier when leave may be taken.
6	Unit	Follow processing procedures in paragraphs 12–1 and 12–3.
7	BNS1	Receive request from unit and follow processing procedures in paragraphs 12–1 and 12–5.

Section XI

Task: Using Transition Leave

4–21. Rules used to request transition leave

a. Transition leave (formerly called terminal leave) is a chargeable leave granted together with transition from the Service, including retirement.

b. The unit commander or designee is the approval authority for transition leave requests.

c. Leave will not be granted if it exceeds that accrued or to be accrued between the date of approval and date of transition. (See para 5–15 and para 5–33 for exceptions.)

d. Leave granted must not interfere with operational requirements, timely processing, or transition processing.

e. Leave may be granted for Soldiers stationed overseas returning to CONUS or area of residence.

f. Soldiers stationed in CONUS (or OCONUS) will complete processing at an authorized and directed transition activity before beginning leave. As an exception, Soldiers retiring and requesting a location of personal choice transition point will complete processing at a designated U.S. Army Transition Point prior to departing on leave.

g. The established transition date may be extended only for Soldiers pending physical disability (AR 635–40). This allows them to use their accrued leave as transition leave, provided they cannot sell or cash in leave to the Government. Since 10 February 1976, Soldiers can sell or cash in no more than 60 days leave one time during a military career, except as authorized by Section 501 of Title 37 U.S.C as implemented by the DODFMR. The following are examples of a Soldier who has been identified for disability separation and has 60 days of leave. These examples show whether the Soldier must sell or cash in his or her leave, may use his or her leave as transition leave, or a combination of both.

(1) The Soldier cashed in 60 days of accrued leave on 1 May 1977. The Soldier may take 60 days of accrued leave plus any leave earned while on leave.

Section IX

Task: Granting Excess Leave for Reserve Officers’ Training Corps Graduates

5–17. Rules to grant excess leave for Reserve Officers’ Training Corps graduates

a. Excess leave, if requested, may be granted instead of advance leave to Reserve Officers’ Training Corps (ROTC) graduates, including early commissioning program officers.

b. Normally, the professor of military science (PMS) administering the oath authorizes excess leave. However, due to the many ways the oath is administered, the commander of the new duty station may authorize.

c. Up to 30 days excess leave is authorized provided Soldier enters active duty within 30 days of graduation (see table 5–9).

d. Soldiers who enter active duty more than 30 days after graduation lose their entitlement to this excess leave. However, they may request advance leave.

e. During periods of excess leave—

(1) No leave accrues.

(2) No pay and allowances are earned.

(3) No entitlement to physical disability retired pay is earned (37 USC 502, 37 USC 503, and USC 706b(2)).

5–18. Steps to grant excess leave for Reserve Officers’ Training Corps graduates

The steps to grant excess leave for ROTC graduates are shown in table 5–9.

Section X

Task: Using Involuntary Excess Leave Awaiting Punitive Discharge

5–19. Rules to use involuntary excess leave awaiting punitive discharge

 - (3) Soldier is awaiting completion of appellate review.
 - (4) Confinement has been served, deferred, or suspended prior to the beginning of leave, when included as part of the approved sentence.
 - (5) Approval of punitive discharge is under Article 60, UCMJ by the GCM authority.
- b. The GCM authority will cause Soldier to be notified in writing of the intent to consider him or her for involuntary excess leave. Soldiers are given a reasonable time, normally 72 hours, in which to present matters supporting a request to continue on duty, if desired.
- c. Excess leave begins the day the sentence is approved by the GCM authority or any day after the day sentence is approved.
- d. Excess leave ends upon final judgment (Rules for Court-Martial (RCM) 1113 and 1209), when the sentence is ordered executed, or other appropriate action is promulgated, or at any earlier time as authorized by the GCM authority.
- e. Soldiers required to take leave, who have leave to their credit, may elect one of the following:
 - (1) Receipt of pay and allowances during the period of accrued leave, with leave beyond that which was accrued charged as excess leave.
 - (2) Payment for leave accrued to the Soldier's credit on the day before the day excess leave begins with the total period of required leave charged as excess leave.
 - (3) A combination of receipt of pay and allowances during the period of accrued leave and accrued leave payment.
- f. Soldiers required to take leave may be authorized travel. (See JFTR, Vol 1, U7506 for travel entitlement, and AR 600–8–105 for orders Format 405.)
- g. Soldiers in an involuntary or voluntary excess leave status while awaiting punitive discharge are ineligible for space available transportation (CONUS and overseas).
- h. For Soldiers required to take leave, the effect on pay and allowances is governed by the DODFMR 7000.14–R and AR 37–104–4.
- i. If the court-martial sentence is set aside or disapproved—
 - (1) Soldier receives pay and allowances for period of required excess leave provided that a rehearing or new trial does not result in a dismissal or a dishonorable or bad conduct discharge.
 - (2) The Soldier's pay and allowances must be reduced by the amount of income and public assistance benefits received during period of excess leave.

5–21. Rules to request voluntary excess leave for Soldier awaiting punitive discharge

- a. The GCM authority is the approval authority.
- b. Soldier requests.

 - (1) Soldier has been sentenced by court-martial to a dismissal or punitive discharge.
 - (2) Sentence has not yet been approved.
 - (3) Adjudged confinement has been served, deferred, or suspended prior to leave.

5-23. Rules to request excess leave for Soldier awaiting administrative discharge

- a. Soldiers awaiting completion of administrative discharge proceedings may request an indefinite period of excess leave.
- b. The GCM authority, or his or her designee, is the approval authority. The GCM authority approves when excess leave would be in the best interests of the unit to which the Soldier is attached and when leave will not interfere with timely processing or separation.
- c. Soldiers granted excess leave while awaiting administrative discharge are charged ordinary leave until accrued leave is exhausted.

Section XIII

Task: Granting Graduation Leave, United States Military Academy

5-25. Rules to grant graduation leave at the United States Military Academy

- a. A nonchargeable absence may be granted to commissioned graduates of the United States Military Academy (USMA).
- b. The Superintendent, USMA, or designee is the approval authority.
- c. Section 702, title 10, United States Code (10 USC 702) authorizes granting absence up to 60 days.
- d. Superintendent, USMA, may limit such leave to 30 days except on a case-by-case basis when the graduate is awaiting commencement of a training course.
- e. Soldiers ordered to temporary duty when on graduation leave may revert to leave status on completion of such duty.

5-26. Steps to grant graduation leave at the United States Military Academy

The steps to grant graduation leave at the USMA are shown in table 5-13.

Table 5–13

Step	Work center	Required action
1	USMA	Use the DA Form 31 to authorize leave (chap 12). In block 7, check “other”. After “other”, post graduation leave, USMA
2	USMA	Superintendent or designee approves graduation leave.
3	USMA	Grant leave after graduation and prior to reporting to the first permanent duty station. (See notes 1 and 2.)
4	USMA	Ensure leave is completed within 3 months of graduation.
5	USMA	Revert to leave status Soldiers ordered to temporary duty when on graduation leave after completion of such duty.
6	USMA	Follow applicable processing procedures in paragraph 12–9.

Notes:

1. Prior to the date of reporting to the first permanent duty station.
2. Prior to the date of reporting to the point of embarkation for permanent duty outside CONUS.

Section XIV

Task: Granting Regular Pass

5–27. Rules to grant regular pass

a. A short, nonchargeable, authorized absence from post or place of duty during normal off duty hours is a regular pass. Non-duty periods of absence, other than the established or normal duty hours are considered as a pass period, to include official holidays (see table 5–1). For example, a regular pass might extend from Friday after duty until the beginning of duty on the following Tuesday.

b. The unit commander is the approval authority.

c. A Soldier remains in an available-for-duty-status during normal off duty hours unless absence is authorized.

d. A regular pass begins and ends on post, at duty location, or at the location from where Soldier normally commutes to duty. Soldier must be physically at one of these locations when departing to or returning from a regular pass.

e. A regular pass will normally be from the end of normal duty hours on one day to the beginning of working hours the next duty day. The standard for calculating the period of the pass is to count calendar days, not on the number of hours to be taken.

(1) On weekends, a 3–day regular pass period, which includes a national holiday, begins at the end of normal duty day on Friday afternoon, and terminates at the beginning of the normal duty day on the 4th day (Tuesday).

(2) A regular pass period will not exceed 3 days in length, to include during public holiday weekends or public holiday periods specifically extended by the President.

f. A regular pass maybe authorized during periods of TDY while Soldiers are at the TDY station. The following applies:

(1) Commanders at TDY locations may authorize regular passes. (See JFTR, Chapter 4 for travel entitlements.)

(2) A pass period may be authorized after departure from the permanent duty station and prior to the beginning of the TDY period. Further, a pass may be authorized upon completion of TDY and prior to return to the permanent duty station. Payment of per diem for such pass periods is not authorized (see DFAS-IN Regulation 37–1). Inclusive dates of pass periods must be identified to the BNS1.

g. Do not grant passes in succession or back-to-back without a duty day in between the absences. For example, a 3–day regular pass that includes a public holiday may not be immediately followed by another regular pass. If a Soldier departs on a 3–day pass on Friday evening after the duty day, he or she must return for the normal duty day on Tuesday morning.

h. A regular pass may be granted together with leave. The following apply:

(1) A pass begins and terminates on post, at the duty location, or at the location from where Soldier normally commutes to duty before leave begins.

(2) Leave begins and terminates on post, at the duty location, or location from where Soldier normally commutes to duty before a pass begins.

i. AWOL applies if Soldier does not return at applicable time unless extension was granted resulting in leave (para 10–11).

j. Travel clearance requirements are applicable for OCONUS travel or travel outside the territory or foreign country of current assignment (chap 8).

k. If Soldier is undergoing treatment for a contagious disease, a pass is limited to emergency or urgent matter if treating physician states that public health will not be jeopardized.

5-28. Steps to grant regular pass

The steps to grant a regular pass are shown in table 5-14.

Step	Work center	Required action
1	CDR	Grant pass to Soldier whose performance of duty and conduct merits approval.
2	Unit	Use the DA Form 31 to authorize absence (chap 12). In block 7, check "other". After "other", post pass. A DA Form 31 is not required if Soldier will remain in the vicinity of his or her normal duty station unless form is required to ensure Soldier is not selected for duty during the period.
3	Unit	If TDY is authorized together with a pass period, tell BNS1 if pass period is authorized immediately before or immediately after TDY.
4	CDR	Advise Soldier that pass begins and ends at the appointed times on post, at duty location, or the place where Soldier normally commutes to duty.
5	CDR	If Soldier is taking leave in conjunction with regular pass, advise Soldier to be on post, at his or her place of duty, or location from which he or she regularly commutes to duty before departing on leave or regular pass.
6	CDR	Advise Soldier that AWOL applies if he or she fails to return at the appointed time unless extension was granted resulting in leave (para 10-11).
7	Unit	Obtain travel clearance. Requirements are applicable to OCONUS travel or travel outside the territory or foreign country of current assignment (chap 8).
8	Unit	Follow applicable leave processing procedures in paragraphs 12-1 and 12-4.
9	BNS1	Follow applicable leave processing procedures in paragraphs 12-1 and 12-5.

Section XV

Task: Granting Special Passes

5-29. Rules to grant special passes

a. A short, nonchargeable, authorized absence from post or place of duty may be granted using a special pass. Special passes and leave may not be combined to allow a continuous absence from the duty station, nor may special passes be combined with regular passes or with another special pass. If leave or another pass is granted, there must be at least one duty day between the special pass and the leave or other pass.

b. Unit commander is the approval authority.

c. Reasons to grant are as follows:

- (1) As special recognition for exceptional performance of duty.
- (2) To attend spiritual retreats or observance of other major religious events requiring the Soldier to be continuously absent from work or duty.
- (3) To exercise voting responsibilities of citizenship.
- (4) To alleviate personal problems incident to military service.
- (5) As compensatory time off—
 - (a) For long or arduous deployment from home station.
 - (b) For duty in an isolated location where regular pass is inadequate.
 - (c) Following periods of continuous duty of excessive duration.
 - (d) Following duty on a public holiday. Such time off will be granted the first duty day after the public holiday (including the observed day), except in unusual circumstances.

d. There are two kinds of special passes, 3-day and 4-day.

e. A 3-day pass—

- (1) Normally begins at the end of a normal duty day on a given day and ends with the start of a normal duty day on the 4th day after an absence of 3 consecutive calendar days. The standard for calculating the period of the pass is to count calendar days, not on the number of hours to be taken.
- (2) Must include at least 1 duty day. This period may be Tuesday, Wednesday, and Thursday, depending on unit

duty requirements. (For example, a Soldier may depart at the end of the duty day on Monday evening and must return at the start of the normal duty day on Friday.)

(3) May not be combined with a regular pass, another special pass, or leave. If leave or another pass is granted, there must be at least 1 duty day between the special pass and the leave or other pass.

f. A 4-day pass—

(1) Must include at least 2 consecutive non-duty days. For example, a Soldier may depart on a 4-day pass on Friday evening after duty day and must return at the start of normal duty day on Wednesday.

(2) May not be combined with a regular pass, another special pass, or leave. If leave or another pass is granted, there must be at least one duty day between the special pass and the leave or other pass.

g. A special pass is authorized together with TDY. The following additional restrictions apply:

(1) Soldiers on authorized pass during a TDY period are in an official duty status. Therefore, they are entitled to allowances for temporary duty travel for personal reasons to the permanent station and return. Allowances paid cannot exceed the amount they would have received had they not returned to the permanent station. (See JFTR, Vol 1, U4130.)

(2) A special pass period may be authorized before departure from the permanent duty station prior to the TDY period. Further, a pass may be authorized upon completion of TDY and return to the permanent duty station. Payment of per diem for such pass periods is not authorized. See DFAS-IN Regulation 37-1 and Joint Travel Regulation, paragraph U4102-A and U2200. Inclusive dates of pass periods must be identified to the BNS1.

h. A special pass begins and ends on post, place of duty, or location where Soldier regularly commutes to duty. Soldier must be physically at one of the above locations when departing to or returning from a special pass.

i. A Soldier is in an available-for-duty status when he or she returns from special pass.

j. AWOL applies if Soldier does not return at applicable time unless extension was granted resulting in leave (para 10-11).

k. Travel clearance requirements are applicable for OCONUS travel or travel outside the territory or foreign country of current assignment (chap 8).

5-30. Steps to grant special passes

The steps to grant special passes are shown in table 5-15.

Table 5-15
Special passes

Step	Work center	Required action
1	CDR	Grant special passes to Soldiers for reasons stated in paragraph 5-29c.
2	Unit	Use the DA Form 31 to authorize absence (chap 12). In block 7, check "other". After "other", post pass. A DA Form 31 is optional and not required if Soldier will remain in the vicinity of his or her normal duty station unless required by local leave approving authority.
3	Unit	If pass period is authorized together with TDY, identify to BNS1 if the pass period is authorized immediately before or after TDY.
4	CDR	Advise Soldier to be on post, at his or her place of duty, or location from which he or she regularly commutes to duty at end of pass period.
5	BNS1	Obtain travel clearance. Requirements are applicable to OCONUS travel or travel outside the territory or foreign country of current assignment (see chap 8).

Section XVI

Permissive Temporary Duty

5-31. Permissive temporary duty approval authority

a. Commanders of units, normally commanded by officers in the rank of lieutenant colonel or higher are authorized to approve, when period of absence is 10 days or less.

b. Commanders in the grade of colonel and above must approve an absence for attendance at private organization meetings (see AR 1-211).

c. Commanders having general court-martial authority and major Army commanders are authorized to approve up to 30 days except as provided in 5-32*l*. Further, they may delegate the approval authority to the company commander or other leave approval authority for requests for transition PTDY or excess leave together with involuntary or voluntary separation as defined by paragraph 5-35.

d. AHRC (TAPC-PDO) must approve 31 or more days.

5-32. Permissive temporary duty authorization

PTDY may be authorized as follows:

a. For career management (absence to discuss career management and review personnel records) as follows:

- (1) For the minimum period to accomplish the purpose of the visit.
- (2) Maximum absence authorized is 4 days.

b. To perform State jury service or be a witness at State criminal investigation proceedings or criminal prosecution is subject to the following conditions:

- (1) Soldier must have received a subpoena, summons, or request instead of process.
- (2) Case must involve substantial public interest; for example, a major crime has been committed, and the Soldier is a major witness).
- (3) Decision to grant PTDY must be coordinated with command staff judge advocate (SJA) or legal office.

c. To attend civilian education programs.

- (1) Civilian education programs must be sanctioned by Headquarters.
- (2) Approval authorities and processing procedures are in AR 351-3, AR 601-280, and AR 621-5.

d. To attend meetings of associations, leagues, or councils formed by credit unions, provided that—

- (1) A member of the Board of Directors of a DOD credit union requests Soldier's presence.
- (2) Meeting is directly related to DOD credit union program.

e. To participate in other official or semi-official programs of the Army provided that—

(1) Participation in the program will enhance the Soldier's value to the Army, including but not limited to completing educational licensing requirements leading to a professional degree.

(2) TDY must not be appropriate.

f. For house hunting (absence to hunt for a house or other dwelling incident to a PCS move CONUS or OCONUS).

The following conditions apply:

(1) Not more than 10 days will be authorized, except as authorized in paragraph 5-33.

(2) Soldier has PCS orders to travel to the new PCS location (see subpara (6) below).

(3) Soldier has unaccompanied or nonconcurrent travel entitlement to settle his or her Family at designated areas.

(4) Government housing or quarters must not be immediately available, or if available, not required to be occupied.

(5) When the gaining command is in CONUS, Hawaii or Alaska, Soldiers are not required to obtain from the on-post housing office the status of housing availability for the purpose of permissive TDY.

(6) For overseas assignments, the type of quarters available, if applicable, will be determined by Soldier's concurrent or deferred travel code (see AR 55-46). A statement from the commander authorizing the PTDY is required on the DA Form 31 providing the source of verification of the housing status at the gaining command.

(7) Soldier is authorized to take PTDY for house hunting after written notification of PCS orders, but prior to departure on PCS.

(8) Soldier is authorized to take PTDY for house hunting en route together with leave and travel.

(9) Soldier is authorized to take PTDY for house hunting after arriving at gaining station.

(10) May be taken in increments up to the maximum authorized.

(11) Soldier must report to the gaining on-post housing office prior to starting house hunting. Failure to do so will result in Soldier being charged leave for entire period. Soldier who has unaccompanied or nonconcurrent travel entitlement OCONUS and is authorized house hunting CONUS must report to the on-post housing office at the CONUS installation where PTDY is authorized for house hunting prior to starting house hunting. Failure to do so results in Soldier being charged leave for the entire period.

(12) Soldiers entering basic training, Officer Candidate School, proceeding to Initial Duty Station on TDY to attend Service school course, or participating in an exchange assignment are not authorized PTDY for house hunting.

g. To attend meetings (scientific, professional, or technical) provided that—

- (1) The meeting has a direct relationship to the Soldier's profession.
- (2) Attendance benefits the Army and the Soldier.

(3) AR 1-211 is applicable to private organization meetings.

h. To complete the naturalization process provided that—

(1) A court hearing has been set.

(2) The applicant has been notified to appear by the Immigration and Naturalization Service.

(3) Absence is limited to 10 days or less (normally).

i. To Soldiers stationed in CONUS to accompany a dependent patient to a designated medical facility as a nonmedical attendant or to join a dependent patient when the Soldier's presence is deemed essential by the patient's attending physician or hospital commander (see a above for approval authorities). The following applies:

(1) The circumstances must not meet the criteria of the JFTR (see (6) below).

(2) Soldiers must obtain written verification from the servicing MTF commander or designee of the necessity of their presence.

(3) Except in critical situations, the maximum time authorized for PTDY is 10 days or less. For less than critical situations, Soldiers who wish to remain with the patients will do so in a chargeable leave status unless attachment is authorized.

(4) Extensions beyond 10 days must be approved by CG, AHRC. Requests for extensions will be sent electronically by the servicing medical facility commander, or designee, to Commander, AHRC, Alexandria, VA//TAPC-PDO// with the Soldier's unit commander as information addressee. The following information must be contained in the request:

- (a) Soldier's grade, name, SSN, unit of assignment, and name of official who approved the initial PTDY.
- (b) Date PTDY began and number of days granted.
- (c) Number of days requested extension and name and phone number of requestor.
- (d) Relationship of Family member to sponsor.
- (e) Patient's condition and prognosis.
- (f) Expected duration of hospitalization.
- (g) Statement explaining need for Soldier's presence.

(5) If under unusual circumstances, a request for extension beyond 30 days is likely, the Soldier will be counseled on compassionate reassignment. (See AR 614-200 for enlisted Soldiers and AR 614-100 for officers.) Requests for extension beyond 30 days must include a statement verifying that an application for compassionate reassignment has been submitted or the reasons such application is impractical. Soldiers declining to apply for a compassionate reassignment for personal motives usually will be disapproved for further PTDY. (Soldiers may apply to remain at the medical facility in a leave status.)

(6) For policy and procedural guidance on nonmedical attendants accompanying dependent patients within an overseas area or from overseas to CONUS, see JFTR, Volume 1, chapter 7, part q and paragraph U5240G. For Soldiers stationed OCONUS, the JFTR authorizes Soldiers to accompany a dependent patient as a nonmedical attendant in a TDY status to a designated MTF when medical care is not available at the PDS. PTDY is not authorized during the period when Government travel and transportation allowances are authorized. For Soldier stationed CONUS, the JFTR authorizes the Soldier to accompany dependent as an attendant in a TDY status when the dependent is transferred in a patient status on medical orders from one CONUS MTF to another CONUS MTF and return for required medical attention that is not available locally. The order issuing official determines that travel by the dependent is necessary and that the dependent requires an escort or attendant. PTDY is not authorized during the same period of time Government travel and transportation allowances are authorized.

(7) Only Soldiers stationed within CONUS may be granted PTDY to accompany a dependent patient to a designated MTF as a nonmedical attendant or to join a dependent patient when the Soldier's presence is deemed essential by the patient's attending physician or hospital commander. As an exception, up to 10 days PTDY regardless of location (CONUS or OCONUS) may be granted if a non-Government agency pays for the Soldier's travel and transportation if the Soldier is otherwise authorized to accept such travel and transportation.

j. To attend certain professional instruction courses under the following conditions:

(1) A request to attend the course is made by the Soldier of the legal, health care, chaplain, or engineering professions.

(2) The course must be required to maintain State license, certification, registration, or continuing educational requirements in the Soldier's profession.

k. To participate in scouting activities under the following conditions:

(1) Participation must support a federally chartered, national scouting organization.

(2) Absence must be relatively short, normally 14 days or less. The GCM authority is the approval authority for 11 through 30 days.

(3) The Soldier must be an adult scout leader or supervisor on a continuing basis.

(4) Must be for logistical support functions, including such functions as mess, sanitation, or medical support.

(5) PTDY is not authorized for counselor or instructor positions unless a senior local government official certifies, in writing, that the service cannot be procured or is not available locally from community resources. The local commander will approve or disapprove the request based on resource availability and the assessed impact on the primary defense mission. Approved support will be provided in compliance with applicable policies. (See AR 360-1 and DODD 5500.7-R.)

l. To participate in or provide essential support to participants in sports, recreation, or talent events under the following conditions:

(1) Commander, U.S. Army Community and Family Support Center (USACFSC) is the approval authority for more than 30 days: Headquarters, USACFSC (LS), 2461 Eisenhower Avenue, (CFSC-CR-RS), Alexandria, VA 22331-0522.

(2) The event must be officially conducted and sponsored by the Army.

(3) Participation must lead to competition in national or international events or added competitive experience, or promote good public relations.

Section XVII

Task: Using Permissive Temporary Duty

5-33. Rules to use permissive temporary duty

a. A nonchargeable absence from duty may be granted at no expense to the Government to perform a semi-official activity that benefits the Service and the Soldier.

b. The activity performed must not be required as part of the Soldier's assigned duties. Further, PTDY cannot be granted to perform public business. Public business relates to the assigned mission of the Service activity. Therefore, TDY is appropriate.

c. When public business is performed at any time during an absence, the Soldier is entitled to payment of travel allowances. This entitlement arises regardless of any previous statement of intent not to initiate a claim against the Government for reimbursement of expenses. The entitlement also arises regardless of a statement by the approving authority to that same effect.

d. If a Soldier has started upon PTDY and a mission requirement arises, an order will be issued to revoke the remaining portion of absence. The order will direct official TDY. The Soldier will be authorized to claim appropriate travel expenses and per diem allowances for the period of official TDY.

e. Ordinary leave or pass may be taken together with PTDY subject to the approval of the commander concerned.

f. PTDY and TDY will not be combined, if the purpose is to use TDY as a means to place the Soldier at a particular location for the purpose of taking PTDY.

g. Travel clearance requirements in chapter 8 apply to Soldier desiring PTDY outside the United States or foreign country of current assignment.

5-34. Steps to use permissive temporary duty

The steps to use PTDY are shown in table 5-16.

Table 5-16

Permissive temporary duty

Step	Work center	Required action
1	Soldier	Request PTDY on DA Form 31 (chap 12). Complete blocks 2 through 11, as applicable
2	Soldier	On DA Form 31, block 17, name the event or activity, justification for attendance, and proposed itinerary from departure until return.
3	Soldier	Add to the DA Form 31, block 17, this statement: "I understand that this absence is not directed by any official of the U.S. Government. I further understand that I cannot conduct public business under this authorization. Accordingly, I will not be entitled to reimbursement for travel, per diem, or any other expenses. I understand that I have the right to cancel it at any time and return to my regular place of duty".
4	Unit	Assist Soldier with steps 1 through 3.
5	CDR	Approve requests for PTDY for up to 10 days or submit requests to GCM authority, CG, AHRC, or CG, USACFSC, as appropriate, for approval. Disapprove requests that do not meet authorized uses for PTDY.

7	BNS1	Follow applicable leave processing procedures in paragraphs 12-1 and 12-5.
8	Soldier	If PTDY is for house hunting, complete DA Form 4787-R (Reassignment Processing) or DD Form 1746 (Application for and Assignment to Housing) when PTDY is requested for house hunting. (See note 1.)
9	Unit	Forward DA Form 4787-R or DD Form 1746 to BNS1.
10	BNS1	Receive form and forward to the gaining installation Family housing office. (They will send a DD Form 1747 (Status of Housing Availability) within 3 working days.)

Permissive temporary duty—Continued

Step	Work center	Required action
12	CDR	Receive DD Form 1747 and approve or disapprove PTDY for house hunting based on information contained in form.
13	Unit	Advise Soldier to report to the gaining on-post housing office with DA Form 31 approving PTDY and DD Form 1747 and that failure to do so will result in the Soldier being charged leave. If DD Form 1747 is not available, annotate DA Form 31, block 17, with statement from commander providing verification of housing status at the gaining command. (See notes 2 and 3.)
14	Unit	Follow applicable leave processing procedures in paragraphs 12-1 and 12-3 and forward to BNS1.

² The DA Form 31 should contain a statement providing the commander's source of verification of housing status at the gaining command.

³ The gaining Housing Referral Office stamps and dates DA Form 31 to verify housing processing and permissive TDY status.

Section XVIII

Task: Notifying, Counseling, and Requesting Permissive Temporary Duty or Excess Leave Together With Involuntary Separation, Retirement, or Separation Under the Voluntary Separation Incentive and Special Separation Benefit Programs

5-35. Rules to notify, counsel, and request permissive temporary duty or excess leave together with separation

a. Transition PTDY is authorized for Soldiers being released from active duty under conditions described in this paragraph. It is an authorization, not an entitlement.

b. The purpose of transition PTDY is to facilitate transition into civilian life for house and job hunting for Soldiers being involuntarily separated, retiring from active duty, or separating under the Voluntarily Separation Incentive (VSI) or SSB program. Soldiers being reassigned due to permanent change of station (PCS) are authorized ten (10) days PTDY and will continue to comply with guidelines contained in paragraphs 5-31 and 5-32. A normal PCS is defined as a reassigment between duty stations for duty (not for transition) at the gaining station. In the context of this eligibility, PCS does not mean reassignment to a transition center/point for separation.

(1) Permissive temporary duty is a nonchargeable absence and is an option for eligible Soldiers.

(2) The approval authority for transition PTDY is in accordance with paragraph 5-31. Approval authority may be further delegated to company commanders and other leave approval authorities. Commanders may disapprove or restrict permissive temporary duty based on mission or operational requirements, for disciplinary reasons, or if a valid purpose, as described in paragraph d, below, does not exist. For example: If a Soldier does not have a replacement or a unit mission dictates that the Soldier's presence is necessary to perform critical tasks.

(3) Commanders must ensure that Soldiers have a need to either relocate or conduct job search activities during the requested dates of transition PTDY. If neither of these activities are necessary (for example, the Soldier already has secured a job, or the Soldier will continue to reside in the same residence with no prospect of moving), then transition PTDY is not appropriate.

c. The following Soldiers are not eligible for any PTDY under any transition program:

(1) Soldiers voluntarily separating as a result of expiration of term of service or expiration of service agreement.

(2) Soldiers transitioning from the Army under conditions other than honorable (for example, with a dishonorable, bad conduct, or other than honorable (OTH) discharge characterization).

(3) Officers who resign their commission, with the exception of VSI/SSB.

(4) Soldiers with approved voluntary separation under the Voluntary Early Release Program or Enlisted Voluntary Early Transition program.

d. All eligible Soldiers are authorized ten (10) days transition PTDY, as provided in paragraph f, below. The following Soldiers are authorized additional transition PTDY in conjunction with their transition from active duty. If the Soldier is being separated for reasons not listed below, he or she is not authorized additional (that is, in excess of 10 days) transition TDY.

(1) Officers or enlisted Soldiers selected for involuntary separation by Selective Early Release or Retirement Boards.

(2) Officers and enlisted Soldiers with a Mandatory Retirement Date.

(3) Officers identified for separation as a result of Reduction in Force. This includes officers non-selected for promotion and selected for release from active duty.

- (4) Officers who are passed over for promotion and must leave active duty.
- (5) Enlisted Soldiers denied further continued service as a result of Retention Control Points.
- (6) Enlisted Soldiers identified for separation under the provisions of the Qualitative Management Program.
- (7) Officers and enlisted Soldiers with an approved separation under the VSI or the SSB programs.
- (8) Officers and enlisted Soldiers separated for reason of disability rated at less than 30 percent. Commanders must ensure that a DA Form 31 (Request and Authority for Leave) with inclusive dates of PTDY and leave accompanies the packet forwarded to the Physical Evaluation Board. If the Physical Evaluation Board finds the Soldier fit for duty, the DA Form 31 will be voided.

(9) Officers and enlisted Soldiers who have an approved voluntary retirement or disability retirement.

e. Additional transition PTDY may be authorized as follows for Soldiers who meet the criteria described in paragraph 5–35*d*, above, as follows.

(1) CONUS based Soldiers being released from active duty who will transition and reside in CONUS or OCONUS are authorized 10 days transition PTDY and may be authorized an additional 10 days up to a total of 20 days transition PTDY.

(2) OCONUS based Soldiers being released from active duty who will transition in the same overseas area are authorized 10 days transition PTDY and may be authorized an additional 10 days up to a total of 20 days transition PTDY. Under hardship or exceptional circumstances, the unit commanders may grant an additional 10 days up to a total of 30 days transition PTDY.

(3) OCONUS based Soldiers being released from active duty who will transition and reside in CONUS or another OCONUS area are authorized 10 days transition PTDY and may be authorized an additional 20 days up to a total of 30 days transition PTDY.

(4) CONUS based Soldiers being released from active duty who were domiciliaries before entering active duty and continue to be domiciliaries of States, possessions, or territories of the United States located outside the continental United States, including domiciliaries of foreign countries, are authorized 10 days transition PTDY and may be authorized an additional 20 days up to a total of 30 days transition PTDY only for house and job hunting in the State territory, possession, or country of their domicile. These Soldiers must provide commanders evidence that they will reside OCONUS (for example, ownership of property).

f. Officers and enlisted Soldiers transitioning from the active Army who do not qualify for additional transition PTDY as authorized above may be granted ten (10) days transition PTDY if they are—

(1) Denied reenlistment or continuation of service or are involuntary separated for reasons other than those listed above, and

(2) Are transitioning from the active Army under “honorable” conditions.

g. Transition PTDY may be used in increments (not to exceed days as authorized in paragraph *e* and paragraph *f*, above) or used in one period. However, once a Soldier signs out and permanently departs his or her duty station or station of choice, he or she may not take PTDY in increments.

(1) Transition PTDY may be granted as follows:

(*a*) Taken in a series of trips prior to departing on transition (not to exceed 20 days CONUS or 30 days OCONUS). Soldiers in CONUS, who request PTDY in a series of trips, must be advised that PTDY begins and ends on post, duty location, or at location where Soldier regularly commutes to and from work. Transition PTDY is chargeable during duty days (Monday through Friday, excluding weekends). Therefore, a Soldier taking five (5) days PTDY may depart on PTDY Monday morning at 0001 hours and must return on or before 2400 hours Friday. Once a Soldier permanently departs the duty station or station of choice, he or she may not take transition PTDY in increments. Soldiers may not use PTDY in combination with ordinary leave without completing a duty day between the two periods of leave.

(*b*) Taken in a series of trips in conjunction with transition (ordinary) leave. Soldiers taking a partial period of transition PTDY, as part of a series of trips, in combination with transition leave are required to complete a duty day between the two absences.

(*c*) Taken in entirety in conjunction with transition (ordinary) leave. Soldiers who elect to take the entire transition PTDY period as one absence may be granted transition (ordinary) leave without a duty day between the two periods of absence. Example: A Soldier elects to take transition PTDY as one trip and start transition leave on the next day.

(2) Commanders must establish oversight and controls to ensure Soldiers are at the appointed place as defined above prior to departing on PTDY and upon return from PTDY. Commanders may require Soldiers to sign out and in to enforce this requirement. Additionally, commanders:

(*a*) May deny or limit incremental transition PTDY based on mission or operational requirements.

(*b*) Must understand that personnel underlaps will occur. Underlaps should not be the sole reason for disapproval. However, PTDY approval authorities retain the flexibility to limit the number of days authorized for PTDY/transition leave when readiness and mission accomplishment would be impaired.

(*c*) May recall Soldiers who have departed on PTDY, but only for reasons such as investigations, UCMJ proceedings, or when stop losses has been declared.

(3) Request for transition PTDY in conjunction with transition (ordinary) leave. A DA Form 31 will be completed

and processed for each period of PTDY in accordance with chapter 4, section XI, paragraph 4–22. Block 17 must indicate Soldier is authorized (number of days) PTDY in conjunction with transition for (reason.)

(4) All transition processing must be completed prior to the Soldier’s departure on PTDY and/or leave in conjunction with transition. The Soldier’s transition departure date will be adjusted to accommodate approved PTDY, transition leave, and/or travel time.

h. Transition PTDY for OCONUS based Soldiers.

(1) Soldiers with eight (8) or more years active service requesting PTDY must be counseled by the losing commander that the intent of the alternate transition center/point selection is to identify a home of selection prior to departure from their OCONUS permanent duty station. This selection constitutes the place they intend to reside immediately after leaving military service, and becomes the basis for travel and transportation (see JFTR).

(2) Soldiers may request to transition to an authorized station of their choice, to the extent practicable, which is located closest to their home of selection. Soldiers will not be reassigned to a transition center/point that is not listed in the transition center directory listing because support service may not be available.

i. Soldiers may request up to 30 days excess leave to accomplish the objective discussed in paragraph b, above. Soldiers must select transition excess leave or transition PTDY but may not be authorized both.

j. Retirement eligible Soldiers may select an authorized station of their choice (AR 635–10). Soldiers must report to the transition center/point stated in their orders prior to departing on PTDY or leave in conjunction with transition.

k. Reserve and active duty retirees are authorized transition PTDY, if they are recalled to active duty for one (1) year or more. However, if it is known at the time of the Soldier’s separation or REFRAD that the Soldier will be recalled to active duty, then PTDY is not appropriate.

l. Travel clearance requirements of chapter 8 apply to Soldiers desiring transition PTDY or transition excess leave outside the United States or OCONUS area of current assignment.

5–36. Steps for notifying, counseling, and requesting permissive temporary duty or excess leave together with separation

Task: Using Special Rest and Recuperation — Extensions of Overseas Tour

5-41. Rules to use special rest and recuperation — extensions of overseas tour

a. A nonchargeable absence may be granted for enlisted Soldiers in certain specialties who voluntarily extend their overseas tour under 10 USC 705. It is authorized instead of \$80 per month special pay.

b. Unit commander is the approval authority.

c. Applicable criteria is in AR 614-200, chapter 9.

d. Soldiers must be permanently assigned to an authorized position designated by the Secretary of the Army.

e. A Soldier must have a military occupational specialty (MOS) approved as eligible by the Secretary of the Army.

f. He or she must have a tour extension of at least 12 months approved by competent authority (see AR 614-30).

g. He or she must have completed the overseas tour of duty (AR 614-30).

h. Leave options include either 30 days nonchargeable leave or 15 days nonchargeable leave and transportation at Government expense (JFTR, Vol 1, U7300).

i. Leave is taken in one increment.

j. Leave may be combined with other periods of absence. However, it will not be combined with TDY or other absences where a travel entitlement is authorized by the JFTR unless the cost of the round trip transportation of the option would not exceed the cost from the Soldier's duty station to nearest CONUS port.

k. Normally, SR & R is not taken earlier than 60 days before or not later than 90 days after the Soldier's original DEROS (AR 614-200).

l. A Soldier may elect one leave option for each voluntary extension of 12 months duration beyond the original DEROS.

m. Soldiers whose extended duty is curtailed (AR 614-30) will not be required to pay back absences already taken.

n. Soldiers who elected 15 days nonchargeable leave and transportation at Government expense are authorized travel and transportation from the location of the extended tour of duty to the nearest port in the 48 contiguous States and return.

(1) Travel time from the CONUS port to the leave point and return to the CONUS port is included in the 15-day leave period.

(2) Other time spent in travel is not chargeable to the Soldier's leave account.

(3) Soldiers use Government transportation or Government procured transportation, if available.

(4) Soldiers may procure transportation at personal expense if Government transportation is not available. They will be—

(*a*) Required to use U.S. certified air carriers for all commercial foreign air transportation, if available.

(*b*) Reimbursed for transoceanic travel, if authorized by JFTR, Volume 1, paragraph U5116.

(*c*) Reimbursed for land or air travel to the aerial port of embarkation in the foreign country. Reimbursement is limited to the least expensive most direct route (reconstructed) or the Soldier's claim, whichever is less.

(*d*) Required to submit a no-pay travel voucher to the Finance Office within 5 duty days after completing travel.

(*e*) Provided leave rations for the period of special rest and recuperation (SR&R) leave authorized travel time. This allowance is chargeable to the military pay appropriation. Payment of mileage, monetary allowances instead of transportation, or per diem allowance is not authorized.

a. Soldiers who elect one of the SR&R options are not authorized COT leave or COT leave travel (para 4–17).

5–42. Steps to use special rest and recuperation — extensions of overseas tour

The steps to use SR&R are shown in table 5–20.

Step	Work center	Required action

2	Unit	Ensure request meets criteria in paragraph 5–37.
3	CDR	Approve or disapprove request.
4	Unit	Begin leave the day after Soldier arrives at the APOD.
5	Unit	End leave the day before the day the Soldier returns to the designated CONUS port.
6	PSC	See JFTR, paragraph U7300 for entitlement to travel or transportation at Government expense.
7	PSC	See JFTR, paragraph U5116 for entitlement to reimbursement for transoceanic travel.
8	PSC	Direct travel questions to your local transportation or travel office.
9	Unit	Follow applicable leave processing procedures in paragraphs 12–1 and 12–3.
10	BNS1	Follow applicable leave processing procedures in paragraphs 12–1 and 12–5.

Chapter 6 Emergency Leave

Section I

Task: Requesting Emergency Leave

6–1. Rules to request emergency leave

a. Soldiers may request emergency leave with or without American Red Cross verification. Most Soldiers are mature and responsible individuals whose emergency leave needs can be considered on their merits.

b. The unit commander is the approval authority.

c. The unit may request verification through the Field Director, American Red Cross (AMCROSS) or, if necessary, from the military activity nearest the location of the emergency, if they doubt the validity of a situation or of the necessity of the Soldier’s presence. Commanders should not disapprove emergency leave based solely on a lack of a Red Cross message.

d. Soldiers may be authorized emergency leave for up to 30 days for emergency situations within the immediate Family. For a person in loco parentis, the Soldier must sign a statement verifying loco parentis (fig 6–1). The immediate Family includes the following Family members of either the Soldier or the Soldier’s spouse:

(Both *a* and *b* below or *c* below must apply.)

I, PFC Johnny Smith, 222-33-4444, am requesting emergency leave for a family emergency. The emergency involves a person who stood in loco parentis for 5 years (*in place of parents 24 hours a day*) before I became 21 years of age.

a. The person provided a home, food, clothing, medical care, and other necessities as well as furnished moral and disciplinary guidance and affection.

b. Neither of my parents lived at the same residence as the person who stood in loco parentis during the qualifying period.

c. Other circumstances such as legal custody, guardianship, or other situation of full responsibility for the soldier that support the soldier's belief that in loco parentis status exists. Explain.

I certify that the above statement is true and complete to the best of my knowledge.

PFC Johnny Smith
(*Soldier's signature*)

(Penalty for willfully making a false claim is a maximum fine of \$10,000 or maximum imprisonment of 5 years or both, section 287, title 10, United States Code.)

Figure 6-1. Sample of completed emergency leave in loco parentis status

- (1) Parents, including stepparents.
- (2) Spouse.
- (3) Children, including stepchildren.
- (4) Sisters, including stepsisters.
- (5) Brothers, including stepbrothers.
- (6) Only living blood relative.

(7) A person in loco parentis. A person in loco parentis is one who stood in place of a parent to the Soldier or the Soldier's spouse for 24 hours a day, for at least a 5-year period before the Soldier or the Soldier's spouse became 21 years of age. The person must have provided a home, food, clothing, medical care, and other necessities as well as furnished moral and disciplinary guidance and affection. A grandparent, or other person, normally is not considered to have stood in place of a person when the parent also lived at the same residence. A person is not considered in loco parentis for performing baby-sitting or providing day care services.

e. Guidelines for authorizing emergency leave are as follows:

(1) When the Soldier's presence will contribute to the welfare of a terminally ill member of the immediate Family when the expected date of death is within the month.

(2) Because of the death of an immediate Family member.

(3) For a serious situation involving accident, illness, or major surgery that cannot be postponed due to the urgency of the medical condition. The situation must result in a serious Family problem. The Family problem must impose important responsibilities on the Soldier that must be met immediately and cannot be accomplished from his duty station or by any other individuals or by other means.

(4) Because the a Soldier is affected personally by a disaster (for example, hurricane, tornado, or flood) when severe or unusual hardship would be encountered if the Soldier failed to return home.

f. Guidelines for other types of situations where a Soldier may request emergency leave for situations within the immediate Family, but where ordinary leave should be considered, are as follows:

(1) Pregnancy of spouse and childbirth. (Request should be approved if a severe life threatening situation is documented.)

(2) Marital problems that need resolving, threatened divorce, or other personal problems. (Request should be approved if a severe life threatening situation is documented.)

(3) To attend court hearings to resolve financial problems. (Money spent on emergency leave may aggravate problem.)

(4) To assist in harvesting crops or participating in managing business firms.

(5) Psychoneurosis based on Family separation. (Exceptions may be made when the attending physician believes that a severe psychotic episode is indicated and the member's return might prevent institutionalization.)

(6) To settle estate of a deceased relative.

(7) Situations involving a grandparent (not in loco parentis) aunt, uncle, cousin, niece, or nephew (when not the only living blood relative) or for a friend, fiancée, or fiancé.

g. Soldiers may use accrued, advanced, excess leave or a combination.

h. A Soldier's Family members, friends, or relatives may seek emergency leave for a Soldier through the local chapter of the AMCROSS. The local chapter of the AMCROSS verifies the circumstances and reports them directly to the Field Director, AMCROSS, in CONUS or the overseas areas. Field Directors refer the reports to the appropriate Army command for evaluation and decision. Where applicable, the Red Cross may present the request directly to the chiefs of missions, military assistance advisory groups, or attache offices.

Section II

Task: Brief Soldiers Prior to Departing on Emergency Leave

6-3. Rules for briefing Soldiers prior to departure on emergency leave

Soldiers departing on emergency leave will be briefed on information contained in paragraph 6-4 before departure.

6-4. Steps for briefing Soldiers prior to departure on emergency leave

The steps for briefing Soldiers prior to departure on emergency leave are shown at table 6-2.

Table 6-2

7	Unit	Brief Soldier that if emergency leave is authorized based on false information, administrative or disciplinary action or both are possible (para 6-9).

Section III

Task: Requesting Extension of Emergency Leave

6-5. Rules to request extension of emergency leave

a. Prior to departure on emergency leave, Soldiers will be briefed on procedures to request an extension of leave (para 10-7).

b. Soldier may request an extension of emergency leave through the AMCROSS. (AMCROSS facilitates communication with command.) If there is less than 72 hours between the time the Soldier reports to the Red Cross and expiration of Soldier's leave, ARC will contact the appropriate PAP (chap 10). The PAP then provides an interim extension of leave, if necessary (not to exceed 72 hours) and completes coordination with the overseas command.

6-6. Steps to request extension of emergency leave

The steps to request extension of emergency leave are shown in table 6-3.

Table 6-3

Extension of emergency leave

Step	Work center	Required action

7	Unit	Follow processing procedures for leave extension in paragraph 12-35.
8	BNS1	Follow processing procedures for leave extension in paragraph 12-35.

Section IV

Task: Determining Emergency Leave Travel

6-7. Rules to determine emergency leave travel

- a.* Travel will be authorized as prescribed in DOD 4515.13-R and the JFTR.
- b.* Soldiers are normally not charged leave for time spent in emergency leave travel. (Emergency leave begins the day after the Soldier arrives at APOD. Chargeable leave ends the day prior to the day Soldier returns to the APOE.) Emergency leave travel may include the following:
 - (1) Between overseas areas and return.
 - (2) From overseas to CONUS APOD.
 - (3) From CONUS APOE to overseas areas.
- c.* Lack of funding alone is not a basis to deny funded emergency leave travel.
- d.* Military mission, military assistance advisory group, and attache personnel may be provided travel by Department of State or State-shared support. When not provided, travel is charged to Military Assistance Executive Appropriations under the Military Assistance Program budget project for administrative and logistical support for authorized Military Assistance Program positions. (AR 1-75, OPNAVINST 4900.31E, and Air Force Regulation (AFR) 400-45, chap 4).
- e.* If an emergency develops while the Soldier is already at an emergency leave site, there is no travel entitlement.
- f.* Except for *d* above, leave travel is charged to appropriated funds which support the temporary additional duty, TDY of the unit to which the Soldier is assigned. When a Soldier is TDY and takes emergency leave, the Soldier's permanently assigned unit provides the funds.

6-8. Steps to determine emergency leave travel

The steps to determine emergency leave travel are shown in table 6-4.

Table 6-4
Emergency leave travel

Step	Work center	Required action
1	PSC	See JFTR, Volume 1, paragraph U7205 (Soldiers) and U5244 (dependents, as defined by JFTR, app A) for commercial air.
2	PSC	See DOD 4515.13-R for military air.
3	PSC	See AR 55-46 and JFTR, paragraph U5244, for dependent travel.
4	PSC	See JFTR, paragraph U7205A, for travel of Soldiers performing TDY.
5	PSC	Address questions concerning travel entitlement to the installation transportation officer.
6	PSC	Follow leave processing procedures in paragraph 12-20.
7	Finance Office	Follow necessary procedures in AR 37-104-4.

Section V

Task: Taking Administrative Action for Emergency Leave Authorized Erroneously Because of False Information

6-9. Rules to take administrative action for emergency leave authorized erroneously because of false information

- a. The commander considers administrative or disciplinary action or both.
- b. The Soldier may become indebted to the United States for travel performed at Government expense.
 - (1) The debt may be collected from the Soldier's pay per DODFMR 7000.14-R.
 - (2) The time spent in travel converts to ordinary leave.

6-10. Steps to take administrative action for emergency leave authorized erroneously because of false information

The steps to take administrative action for emergency leave authorized erroneously because of false information are shown in table 6-5.

Table 6-5
Administrative action

Step	Work center	Required action
1	Unit	If commander determines that a Soldier was granted emergency leave erroneously because of false information, advise BNS1 that a corrected DA Form 31 is needed.
2	Unit	Request PSC to revoke (AR 600-8-105, the original emergency leave order, if issued).
3	Unit	Request PSC provide a copy of the corrected DA Form 31 to BNS1.
4	MPD	Revoke emergency leave order (AR 600-8-105).
5	MPD	Provide copy of the corrected DA Form 31 to BNS1.
6	BNS1	Attach copy of original DA Form 31 to the corrected DA Form 31 and forward to FO.
7	Unit	If travel was performed at Government expense, advise the Soldier of a possible indebtedness to the Government for erroneous payment for travel.
8	Unit	If travel time was previously excluded from the chargeable leave period, advise the Soldier that this time will be charged to leave.

Chapter 7 Leave Together with Permanent Change of Station and Temporary Duty

Section I

Task: Using Leave Together with Permanent Change of Station and Temporary Duty

7-1. Rules to use leave together with permanent change of station and temporary duty

- a. A chargeable leave may be granted in conjunction with PCS or TDY.
- b. Commanders—
 - (1) Manage leave together with PCS and TDY to meet DOD intent for its use and accountability.
 - (2) Provide policy, uniform program development, and DOD requirements.

- c. The DA Form 31 will be used to grant leave together with PCS and TDY.
- d. When commanders direct additional training after a Soldier departs en route to initial PCS, the gaining command processes the new DA Form 31.

7-2. Steps to use leave together with permanent change of station and temporary duty

The steps to use leave together with PCS and TDY are shown in table 7-1.

Table 7-1
Leave together with permanent change of station and temporary duty

5	Unit	Use DA Form 31 to authorize leave.

Section II

Task: Granting Permanent Change of Station Leave

7-3. Rules to grant permanent change of station leave

- a. Grant maximum leave prescribed in *b* below unless the Soldier does not desire leave or does not desire the full amount of leave or military operational requirements preclude leave.
- b. Leave may be authorized as follows:
 - (1) Rotational moves (PCS to, from, and between overseas areas), normally 30 days.
 - (2) Operational moves (PCS to and from units within CONUS and overseas command), normally 30 days.
 - (3) PCS moves involving no travel funds; 15 days instead of 30 days may be authorized.
- c. Advance leave may be authorized (para 4-5).
- d. Excess leave may be granted for emergencies or unusual circumstances (para 5-15).
- e. Commander of losing unit may authorize leave in excess of 30 days for cause.
- f. Soldiers may report early unless PCS orders state otherwise.
- g. Losing commander will release Soldiers in time to permit authorized leave, travel, and TDY, if applicable, so Soldiers reach new station by reporting date.
 - (1) Care must be taken to prevent a period of absence prior to the report date that would exceed leave, travel, or TDY.
 - (2) If Soldier requests more leave than allowed by the reporting date, the present commander will forward the request, with recommendation, to the gaining commander for decision.
 - (3) Approved deferment is required if the commander desires to approve leave that would change a required arrival date or arrival month. For deferment procedures, see AR 614-100 for officers and AR 614-200 for enlisted.
- h. For COT, Soldiers may request leave in CONUS or other area. Entitlement to travel and transportation allowance will be per JFTR, Volume 1, U7200 (para 4-17).

9	Unit	Obtain advance approval from CG, AHRC, if commander desires to approve leave that would change a PCS arrival date or month.
10	BNS1	Obtain travel clearance (chap 8) if leave outside the United States is desired.
11	BNS1	Follow leave processing procedures in paragraph 12–9.

Section III

Task: Authorizing Leave for Accession Moves

7–5. Rules to authorize leave for accession moves

a. ROTC graduates normally are authorized 15 days leave en route to their first duty station (normally, the officer basic course). The PMS administering the oath initiates the DA Form 31. If the PMS cannot initiate the form, the commander at the new duty station initiates the DA Form 31 for leave taken en route to that station. (An excess leave option exists; see para 5–15.)

b. For Warrant Officer Candidate or Officer Candidate School graduates—

(1) Normally, 30 days leave is authorized.

(2) Leave is granted upon completion of candidate training or, if desired by Soldier, after completion of the officer basic entry course or other functional training.

c. For basic combat training (BCT) and advanced individual training (AIT)—

(1) Leave is not authorized during training except for emergencies.

(2) If the first PDS is in CONUS, 10 days leave en route is authorized. (Additional leave may be authorized for emergencies or unusual situations.)

(3) If first PDS is OCONUS, 14 days leave is authorized. (Additional leave may be authorized for emergencies or unusual situations.)

(4) Leave taken must not preclude Soldiers from meeting scheduled reporting dates for additional training.

(5) Scheduled class report dates for additional training will not be changed solely to accommodate a Soldier’s leave plans.

d. Leave specified in sub paragraph c(2) and sub paragraph c(3) above may be modified as shown through *k* below.

e. Trainees completing BCT are authorized up to 7 days of leave when they are assigned—

(1) To an operational unit in CONUS for on-the-job training.

(2) As a permanent party Soldier by virtue of civilian-acquired skills.

f. Trainees completing basic training (BT) and going to AIT in excess of 24 weeks normally are authorized up to 7 days leave en route. If a Soldier does not desire to take leave, he or she will be attached to the AIT installation in a duty status until class begins.

g. For trainees completing BT and going to AIT in excess of 20 weeks to be followed by airborne training—

(1) Normally, seven days of leave en route to AIT is authorized.

(2) Leave between AIT and airborne training is not authorized.

h. Trainees completing BT who take Christmas and New Year holiday leave during BT are not authorized ordinary leave after BT.

i. Enlisted Soldier's availability date may change because of self-pace AIT (resulting from early or late graduation).

(1) Do not force Soldier into taking leave when early graduation is a factor.

(2) Leave and travel time will not be credited toward completion of the 12-week minimum basic training requirement that must be met by Soldiers assigned outside the United States, its territories, and possessions under 10 USC 671.

(3) Port call date and arrival month is changed, when required, for Soldiers being moved overseas.

(4) Report arrival month changes for Soldiers being moved overseas to Commanding General, AHRC, per AR 612-201.

j. Trainees not granted leave following BCT, who will progress from initial MOS training to higher skill MOS training may be authorized 7 days of leave if the combined MOS training exceeds 10 weeks.

k. Trainees completing AIT when leave was not granted after BCT and who are scheduled for functional training, other than airborne training, en route to an initial assignment may be authorized—

(1) Up to 7 days leave en route. This leave is part of the total leave authorized by *c* above.

(2) The total leave authorized by *c* above. Before leave is granted, obtain a new class date from the quota issuing authority and report the new class date per AR 612-201.

l. Leave options for the Reserve Enlisted Program of 1963 (REP 63) are as follows:

(1) Trainees on initial active duty for training (IADT) for 6 months or more are authorized a minimum of 7 days leave after BCT or as otherwise directed by AHRC. If sufficient time exists after BCT and before the reporting date for AIT, the full amount of leave that will be accrued during the period of IADT may be authorized.

(2) Trainees on IADT for less than 6 months, who are en route to an operational unit for on-the-job training or to an AIT course exceeding 10 weeks, normally are authorized the full amount of leave that will accrue during the period of IADT. Other trainees are not authorized leave between BCT and AIT.

(3) If a Soldier's leave was postponed between BCT and AIT, leave may be taken after AIT, if more than 4 weeks remain in the Soldier's period of IADT.

(4) Reserve Enlisted Program (REP) Soldiers in the Military Intelligence Detachments Strategic Reserve Forces attend airborne training prior to AIT. Leave may be authorized after completion of AIT.

(5) Soldiers who have accrued leave upon release from active duty for training (ADT) will be given a lump-sum payment for such leave. There is a 60-day maximum entitlement for payment of unused leave during a military career, except as authorized by Section 501, Title 37 U.S.C., as implemented by the DODFMR.

(6) The Commanding Generals of AHRC, U.S. Army Training and Doctrine Command (TRADOC), or U.S. Army Health Services Command may announce exceptions.

Step	Work center	Required action
7	Unit	Advise Soldier that if advance leave converts to excess leave, collection of pay and allowances is required (para 5-15).
8	Unit	Advise Soldier that if a large amount of advance leave is taken, it results in a large minus or zero leave balance. This may preclude Soldier from taking ordinary leave during his or her first tour of duty and during later assignments.
9	Unit	Advise Soldier that if leave is taken during the Christmas and New Year Holiday period during AIT or one station unit training (OSUT), it is granted instead of predeployment leave.
10	CDR	Grant exceptions to step 9 when warranted under advance leave policy (para 4-5).
11	Unit	Follow applicable leave processing procedures in chapter 12.
12	BNS1	Follow applicable leave processing procedures in chapter 12.

Section IV

- b. TDY must be clearly essential.
- c. There must be no additional cost to the Government.
- d. The unit commander is the approval authority.

- b. Applicable regulations include the following:
 - (1) AR 37-104-4.
 - (2) DFAS-IN Reg 37-1.
 - (3) AR 600-8-6.

6	FO	When TDY is for 30 days or more, FO for duty station determines leave and travel after Soldier's return if leave is granted after TDY.

Section VI

Task: Determining Availability Dates and Port Call

7–11. Rules to determine availability dates and port call

- a. Applicable regulation is AR 55-46.
- b. Availability date is the earliest date travelers can be available at the transportation facility or APOE for overseas movement.
- c. Leave, estimated travel time, and TDY time, when applicable, between the losing station and transportation area determine Soldier's availability date.
- d. Port call instructions establish a reporting date to the APOE as near as possible to Soldier's availability date.
- e. Soldier's port call is directly to the APOE.
- f. Soldier must remain at the losing station or TDY activity until—
 - (1) The central port call facility requests a port call.
 - (2) He or she receives necessary travel instructions and travel documents per AR 600–8–11.
 - (3) He or she receives appropriate counseling (g below).
- g. If a Soldier has concurrent travel of dependents and departs the losing station or TDY activity on leave before receiving port call instructions (AR 55–46), he or she must be advised that—
 - (1) Based on availability of transportation, a Soldier may be asked to curtail or extend leave to comply with port call instructions.
 - (2) If an earlier port call is received and a Soldier does not wish to curtail leave, he or she may request the commander to obtain a later port call.
 - (3) If a later port call is received and a soldier does not desire additional leave, he or she must be attached to the losing organization, nearest military facility, or the APOE.
 - (4) If a Soldier has not received port call instructions at his or her leave address 10 days prior to the expiration of leave, he or she must contact the losing organization or TDY activity. He or she may call from the nearest military installation using DSN or, if DSN is not available, place a collect call.
 - (5) If a Soldier desires to report to the APOE earlier than the date reflected on travel documents (Travelope or MAC transportation authorization), he or she must call the appropriate PAP if travel originated in CONUS, or the Army liaison at the aerial port if travel originates OCONUS.
- h. Losing station or TDY activity commanders will—
 - (1) Provide Soldier with specific reporting instructions before his or her leave expires.
 - (2) If a port call is established which is 7 days beyond the availability date, or it will place the Soldier in an excess leave status, request a port call nearer the Soldier's availability date. The installation central port call office submits the request, by telephone, to the MAC passenger reservation center.

- (3) Arrange attachment of Soldier if desired (see *g*(3), above).
- (4) Extend leave, when appropriate.
 - i.* Leave en route is authorized in connection with travel to an APOE when the reporting date is fixed by port call instructions.
 - j.* For Soldiers who report on the port call date, leave terminates the day before and the Soldier is in a travel status while awaiting transportation at the APOE.
 - k.* For a Soldier who reports prior to or after port call—
 - (1) Leave is terminated as of the date reported.
 - (2) AHRC PAP places the Soldier in a duty status to await the first available transportation overseas.

Section IV

Task: Requesting Leave Extension

10–7. Rules to request leave extension

- a. Request for extension of leave of any kind will be submitted as indicated in table 10–4.
- b. Soldiers may request extension of leave in person, by telephone, message, or other convenient means through the appropriate overseas commander, military installation, or activity nearest the leave address or the American Red Cross.
- c. For emergency situations, see table 6–3.
- d. Requests will be submitted 72 hours in advance of expiration of leave.
- e. When an extension is not approved, the Soldier will return to duty at the proper time.
- f. Soldiers will be briefed on requesting a leave extension before departing on leave.
- g. Soldiers will be provided the appropriate military installation and telephone numbers (DSN and commercial) to call if a situation should occur that would require a leave extension.
- h. Soldiers authorized leave together with PCS movement to an overseas area are under PAP jurisdiction (app B). This jurisdiction does not contravene commander’s responsibility under AR 600-8-6.
- i. PAP may approve an extension of up to 72 hours for emergency or other unforeseen urgent reasons when leave expires in less than 72 hours and the Soldier is on leave in CONUS from overseas.

Notes:

1. In any case where doubt exists or procedures are uncertain, any one of the PAPs shown in table 10-9 should be contacted for information or assistance.
2. Requests for extension of leave for transient personnel will be considered only for emergency reasons (see chap 6) or extreme personal hardship. Before leave begins, losing unit commander will advise Soldier that the American Red Cross should be contacted should a problem arise which may require an extension of leave. The American Red Cross can provide verification of circumstances without delay. The Soldier will be informed that approval for the leave extension must be granted by the proper military authority and not by the American Red Cross.
3. Soldiers should be discouraged from reporting to the APOE early to save leave. It may take several days to reschedule transportation for the individual. There are no free facilities at the APOE. Therefore, the Soldier may incur financial and personal hardship by reporting early. All leave approved for PCS should be taken, or a new port call obtained before reporting to the APOE.
4. The American Red Cross will assist in any situation in which a Soldier has difficulty in contacting a commander.
5. Soldiers should report to the PAP (at the transportation terminal through which they pass) for additional instructions for scheduling return travel to the overseas command.
6. The Soldier's unit commander is to be contacted. The American Red Cross assists in contacting the overseas commander or PAP and in verifying information. The PAP may approve an extension up to 72 hours if the extension is needed for emergency reasons and the leave expires in less than 72 hours.

10-8. Steps to request leave extension

The steps to request leave extension are shown in table 10-5.

Task: Create an Initial Leave Record on the Leave Control Log for the Current or Future Fiscal Year

11-1. Rules for creating an initial leave record on the leave control log for the current or future fiscal year

a. TACCS allows the operator to select the log where the leave will be annotated. This is important when the end of the fiscal year requires the leave clerk to record leaves in a new fiscal year. (See para 11-7 for current and future year.)

b. Upon receipt of an approved DA Form 31 in the PAC, the leave control clerk uses this function to enter the required data in the TACCS leave control log and obtain the control number from TACCS.

c. After leaves are entered on the TACCS, entries cannot be erased, deleted, or overprinted. However, entries may be voided (para 11-13).

d. (Reserve)

e. Enter the leave information as it is recorded on the DA Form 31.

Section III

Task: Obtain a Finance Report/Joint Service Software Joint Uniform Military Pay System Leave Transaction Input Report

11–5. Rules for obtaining the Joint Service Software Joint Uniform Military Pay System leave transaction input report/leave control log reconciliation

a. TACCS produces a listing of all mismatched data entered on the system. (For example, the number of days charged by the PAC did not agree with the number of days charged by the finance office. This caused leave to be processed by the finance office but voided at the PAC.) Mismatches are reconciled unless official travel is a factor. A reconciliation memorandum is TACCS generated from this function.

b. (Reserve)

c. The BNS1 reconciles differences between the leave control log and the JSS JUMPS leave transaction input report.

d. Leave together with TDY (and other official travel) is computed by the finance office.

e. Do not reconcile control numbers beginning with “D”, “T”, “C”, and “P”. As an exception, these codes may be reconciled when the rollover process will not allow rollover unless these codes are reconciled. “Num Days” under “Period of Authorized Absence” includes leave, travel, and TDY.

f. Reconcile differences beginning with “O” and “I”. However, official travel is not chargeable to the Soldier’s leave. Do not reconcile if official travel is a factor, as in emergency leave and COT leave travel.

g. Reconcile differences within 3 days of receipt of JSS JUMPS leave transaction input report.

h. Use paragraph 11–13 to void entry on the leave control log if chargeable leave dates are incorrect. Create a new entry with corrected information using paragraphs 11–1 and 11–2.

i. See chapter 12 for a sample of a printed memorandum to use to forward reconciliation data to the finance office. Post the reason for correction or nonconcurrence of the leave control log in a memorandum for record (MFR) on all copies of the memorandum being sent to the finance office.

Task: View or Update Chargeable Data on Leave Control Log for the Current or Future Fiscal Year

11–13. Rules for viewing or updating chargeable leave data on leave control log for the current or future fiscal year

a. This option allows the operator to view, update, or void leaves previously entered on the TACCS leave control log.

(1) A specific record can be activated in either control number, name, or social security number sequence. Once entered, the operator scrolls up or down using the arrow keys to highlight the desired leave being updated or voided.

(2) Updating a leave consists of completing the period of chargeable leave to include entering extension data if appropriate and in voiding leaves.

(3) Voiding a leave means no leave will be taken by the Soldier or that the entry contains incorrect dates or that the rollover process will not work unless transition, convalescent, or PCS leaves are voided (para 11–17). The PAC clerk highlights the desired leave on the system and presses the “Void Record” key. TACCS places the letter “V” on the TACCS automated leave control log directly under the date the control number was assigned. Once this procedure is used, no further action may be taken pertaining to this leave. Where appropriate, a new entry (para 11–1) is created.

b. (Reserve)

c. Update applicable field, either: extensions, chargeable leave, void leave, or correct leave.

d. Void leave entry if leave is not taken or if Soldier begins leave prior to date in “Date From” or after date in “Date To” or when the rollover process will not allow rollover unless leaves are voided (para 11–17).

e. Void leave entry if wrong chargeable leave dates were reported to the finance office. Create a new entry using instructions in paragraph 11–1.

f. Extensions are posted after the “Chargeable To” date has been entered. A date in advance of the current date cannot be entered. Post extensions immediately after the “Chargeable To” date is posted.

g. When a record is created and updated because of the reconciliation process (para 11–5), the “Date to Finance” is the date of the reconciliation memorandum.

Section I

Task: Processing Leave

12–1. Rules for processing leave

a. The DA Form 31 will be used for requesting leave. (See fig 12–1 for a sample DA Form 31 and instructions to complete the form.) Commanders are authorized to produce the DA Form 31 through electronic means. The electronically generated form must contain all data elements and follow the format of the existing printed form. The form number of the electronically generated form will be shown as DA Form 31E. The date will be the same as the date of the current edition of the printed form.

b. DA Form 31, Part I, will be used to request leave. DA Form 31, Parts II and III, will only be used when emergency leave transportation and travel is authorized. (Parts II and III will be disregarded when the form is used for ordinary leave or other authorized absence.)

c. Soldiers will legibly hand-print DA Form 31 (redo or type if print is illegible).

d. Soldiers normally will complete required blocks not earlier than 1 month before scheduled departure date unless leave dates are believed firm, as in transition and PCS leave.

e. The unit commander is the approval authority for ordinary leave under normal circumstances. For leave under other than normal circumstances, approval authorities are shown in the applicable paragraphs in this regulation.

f. The automated leave control log will be used when it is available. (See chap 11 for the TACCS user instructions for maintenance rules and steps.)

g. The automated leave control log will be copied to another working disk every day or every other day to assist in preventing loss of leave.

h. The manual leave control log (fig 12–2 and para 12–29) is used when the automatic log is not available or if the automated leave log is inoperative for an extended period of time.

(1) DA Form 4179 (Leave Control Log) is available on the Army Electronic Library CD-ROM (EM001) and on the USAPA Web site (www.usapa.army.mil).

m. Chargeable leave.

(1) The finance office will determine when official travel is involved. For TDY, the finance office will use the DD Form 1351–2 (Travel Voucher or Subvoucher) together with the DA Form 31 to determine chargeable leave. The BNS1 and the finance office will reconcile any differences in chargeable leave dates.

(2) The BNS1 will determine when no official travel is performed.

n. Leave will be charged for day of return unless—

(1) The Soldier works more than half of the normally scheduled dutyday.

(2) The Soldier returns on a regularly scheduled nonduty day.

o. Leave is charged for a holiday if it falls on or within the effective dates of leave except as provided under *n* above.

p. Periods of nonchargeable absences, such as PTDY, are subtracted.

q. The leave control log and the JUMPS Automated Coding System Report 7 from the finance office (paras 12–23 and 12–24 and fig 12–3) must be reconciled.

r. If an error is found in chargeable leave after the reconciliation process has been accomplished, see paragraphs 12–25 and 12–26, and figure 12–4.

s. If an error is made on the DA Form 31, correct as appropriate for situations not required to be voided.

Section II**Terms****Absence over leave or pass**

Accrued leave

Earned leave.

Advance leave

Leave granted prior to its actual accrual on the basis of a reasonable expectation that it will be earned by the Soldier during the remaining period of active duty.

All-others tour

The tour length that is authorized at a specific location for Soldiers who are not accompanied by command-sponsored dependents

Annual leave

Leave granted in execution of a command's leave program, chargeable leave account. Such leave is also called ordinary leave.

Chargeable leave

Leave of absence deductible from a member's leave account.

Command-sponsored dependents

Dependents of a Soldier residing with the Soldier at a location OCONUS. The accompanied-by-dependents tour must be authorized by AR 614-30 and the Soldier must be authorized to serve the tour. The dependents must meet the following conditions:

- a. They are entitled to travel to the Soldier's duty station at Government expense incident to the Soldier's PCS orders.
- b. The dependents are authorized by appropriate authority to be at the Soldier's duty station.
- c. The dependents' residency in the vicinity of Soldier's duty station must entitle the Soldier to station allowances at the "with dependents" rate.

Continental United States

The contiguous 48 States and the District of Columbia.

Convalescent leave

A period of authorized absence granted to Soldiers under medical care for sickness or wounds and not yet fit for duty. It is part of the treatment prescribed for recuperation and convalescence and is not chargeable as leave.

Dependent-restricted tour

Any location outside the CONUS with an established overseas tour that does not permit command-sponsored dependents. It is also referred to as an unaccompanied hardship overseas tour or remote tour (AR 614-30).

Earned leave

Leave earned by a Soldier and credited to the leave account on any given date.

Emergency leave

Excess leave

Leave in excess of accrued or advanced leave. The Soldier is not entitled to pay and allowances for a period of such leave. Generally, a minus leave balance at the time of release from active duty, discharge, first extension of an enlistment, desertion or death, is excess leave.

Graduation leave

A period of nonchargeable absence granted to graduates of the United States Military Academy who are appointed as commissioned officers in the Armed Forces. This leave must be taken prior to reporting to the first permanent duty station.

Permissive temporary duty

A nonchargeable absence granted to attend or participate in activities of semi-official nature which benefit the Department of the Army.
