

**Partnership in Education Agreement
between
U.S. Army Edgewood Chemical Biological Center
and
Board of Education of Harford County**

Introduction

This agreement establishes an official basis for mutual understanding and cooperation between the U.S. Army Edgewood Chemical Biological Center (ECBC) and the Board of Education of Harford County in the implementation of a “Partnership in Education” program in accordance with Section 2194 of Title 10 of the United States Code, “Education Partnerships.”

This supportive relationship is established in recognition of the importance of the importance of public education to the future political and economic well-being of the nation as well as the importance of the Board of Education of Harford County to the business, industrial, and governmental institutions with the community.

Program Definition

The objectives of this partnership are to:

- (1) Encourage and enhance students’ interest in Science, Technology, Engineering and Math (STEM) scientific disciplines.
- (2) Build a stronger relationship between the efforts of Board of Education of Harford County educators and the occupational needs of U.S. Army ECBC.
- (3) Provide opportunities for students to become involved in early career exploration as a basis for making realistic decisions regarding their future careers. Efforts will include introducing students to various missions, occupations, and professions within the federal government as well as providing an exposure to the work environment as a means of encouraging students to develop positive work ethics.

The partnership may encompass the following types of activities:

- Guest lecturing to both large and small student groups
- Visits, tours, and demonstrations of technologies
- Student mentorships
- Internships (both volunteer and pay-for-service)
- Curriculum development support
- Equipment loans/transfers for educational use
- Tutoring for students and teacher development efforts
- Science project judging

Program Administration

The administration of this partnership program and the coordination of the specific activities that comprise the program will be the joint responsibility of the designated partnership program managers (PPM) from each institution.

The ECBC Program Manager for Community and Educational Outreach (PMCEO) will serve as the PPM on behalf of ECBC. The ECBC PMCEO will work with the partnership manager for the Board of Education of Harford County to identify and select participating schools and activities within the school system. The ECBC PPM will assure that the program activities meet the legal and administrative requirements of the federal government and more specifically, the Department of the Army.

The Science Supervisor will serve as the partnership program manager on behalf of the Board of Education of Harford County. The Board of Education of Harford County PPM shall coordinate the program activities with the appropriate elements within the school system to comply with the legal and administrative requirements of ECBC.

The choice of individual schools and their students and staff to participate in particular program activities will be mutually agreed upon by the ECBC PMCEO and the Board of Education of Harford County PPM. It will be the responsibility of the Board of Education of Harford County to determine the educational effectiveness of activities conducted with the program.
