## OFFICE OF LEGISLATIVE COUNSEL Testimony Clearance Flow Chart

**DoD Component** 

DoD components notify OLC of hearing and witness to testify, and sends the witness statement to Security Review 5 days before transmission to OLC. (DoD Directive 5400.4) Services notify OUSD(C) of hearing and witness to testify on budget-related matters.

Security and OMB Review are MANDATORY.

**DoD Security Review** 

Once cleared, the statement is sent by the component to the OLC Testimony inbox with the DoD Security Review clearance certification attached. Statements must be received in OLC 3 days before the scheduled hearing with the Office of Security Review clearance certification.

(DoD GC Memorandum of May 4, 2006)

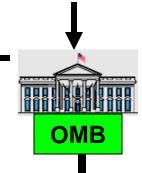

OLC transmits the statement cleared by Office of Security Review for OMB review and interagency coordination. (OMB Circular A-19)

OLC transmits OMB-cleared statement back to component, who distributes the statement to the Congress via OSD LA.

OLC

OLC will either notify the component of statement's OMB-clearance, or transmit OMB comments to component. OMB will be given component contact information if issues require extensive resolution.

OMB clears the statement, or sends comments to OLC.
