

## Light Duty Return-to-Work Program

Light Duty Return-to-Work Program will provide injured employees with the opportunity to resume employment as soon as possible following a job-related injury or illness.

When possible, modified work assignments should be made available to employees as a positive means of rehabilitation following a disabling work injury.

***Provide Opportunities  
for Injured Employees to  
Resume Employment***

***Workers'  
Compensation Costs Are  
Ultimately Paid by DLA***
