NOTICE TO THE TRADE – DeCA NOTICE 10-86

SUBJECT: Location Change for Live Resets

This Notice to the Trade is to provide information regarding the upcoming change of location for live resets. Effective April 26, the above subject resets will move from the Nick II building to the Defense Commissary Agency Headquarters building.

The new area is located in the back of conference rooms three and four in the new addition. Industry will be able to unload any supplies using the west entry point to the new addition. Once unloaded you will need to park in the parking lot and check in at the main entrance.

We look forward to this change as we will now have a much more comfortable and temperature controlled workplace.

If you have any questions regarding the new location please contact Michelle Frost, Chief, Semi-Perishable Division, 804-734-8000, extension 4-8696.
