NOTICE TO THE TRADE – DeCA NOTICE 07-132

SUBJECT: Container Deposits

The Defense Commissary Agency (DeCA) has determined that with the inconsistency in states' container deposit regulations and the complexity associated with Industry's container deposit billings, further research is required on container deposits. Therefore, DeCA is rescinding DeCA Notice to the Trade 07-112, Container Deposit, dated June 29, 2007. Another notice to the trade will be issued in the future to establish guidance for Industry.

My points of contacts are Ms. Mary DeSantis at 804.734.8975 for Performance and Policy and Mr. Joel Small at 804.734.8585 for Product Support.
