

409th CSB PARC TIPS

Training in a Practical Sense

PARC TIPS Number: PT-003

Date: 21 April 2010

SUBJECT: Uniform Procurement Instrument Identification Numbers

REFERENCE: DFARS SUBPART 204-70

DISCUSSION/GUIDANCE:

Since the 409th CSB COD staff recently identified some inconsistency during PARC reviews in PII number assignments, the following guidance is hereby provided:

- The PII Number to be assigned for fixed price acquisitions processed using simplified acquisition procedures/utilizing the authority of FAR Subpart 13.5, "Commercial Item Test Program" up to \$ 5.5M is P or M for manually processed purchase orders.
- The PII Number to be assigned for all indefinite type contracts (including those utilizing the authority of FAR Subpart 13.5, "Commercial Item Test Program") is D
