Mission Support

Mission Support Organization*

Mission:

Provide the surface fleet and other assigned assets with depot level maintenance, engineering, supply, logistics and information services to support Coast Guard missions.

Vision:

All Surface Platforms,
All Surface Systems,
All Surface Missions,
ALWAYS SUPPORTED.

SFLC will deliver logistics services to Coast Guard surface forces, which include:

- ✓ Disciplined configuration management for Coast Guard surface forces
- ✓ A unified logistics system based upon bi-level maintenance
- ✓ Total Asset Visibility
- ✓ Product Line Organization delivering 24/7 Logistics Support

Key Accomplishments:

- ✓ Full implementation of the SFLC, including realignment of ELC/MLC/NESU personnel into five Product Lines and five Shared Services Divisions.
- ✓ Creation of the first-ever centralized, nationwide oversight of Coast Guard Industrial capabilities highlighted by incorporation of the Industrial Service Activities into NESUs.
- ✓ Promulgation of the TCTO Process Guide and publication of more than 30 TCTOs.
- ✓ Reintegration of the Small Boat Product Line (SBPL) from APO into SFLC; SBPL now supporting all Coast Guard Boats, and supporting roughly 35% of the fleet under the new Logistics Business Model

Future Initiatives:

- ✓ Promulgation of the SOP for all assets that will not undergo full transformation.
- ✓ Pilot transformation program for Patrol Boats in partnership with APO.
- ✓ Bifurcation of all planned maintenance activities into organizational and depot level.
- ✓ Consolidation of all decision-making for AFC-45 expenditures into PL.
- ✓ Development of operational community approved fleet metrics.
