**SUBJECT: Proper Use of Interagency Agreements with Non-Department of Defense  
Entities Under Authorities Other Than the Economy Act**

Despite guidance issued jointly by the Under Secretary of Defense (Comptroller) and the Under Secretary of Defense (Acquisition, Technology and Logistics) on October 29, 2004, and additional guidance issued by the Deputy Chief Financial Officer on March 24, 2005, the Department of Defense's (DoD) practices for the use and control of DoD funds under interagency agreements require improvement. DoD purchases made through non-DoD entities continue to violate these policies and existing regulations.

I am directing you to commence the following corrective actions immediately. Failure to complete these actions may result in a revocation of your authority to transfer funds to non-DoD entities executing interagency agreements.

- Review all interagency agreements to determine their status. Close out all completed agreements and coordinate with the outside entity to return all funds remaining on completed agreements no later than June 30, 2006.
- Funds that were provided to a servicing agency for services or goods where the funds are now past their period of availability ("expired funds") shall be deobligated no later than June 30, 2006 unless they meet the criteria identified in the attached memorandum, "Proper Use of Interagency Agreements for Non-Department of Defense Contracts Under Authorities Other Than the Economy Act," dated March 24, 2005. Under no circumstances should any existing order

for severable services using Operations and Maintenance funds extend beyond one year from the date the funds were accepted by the servicing agency.

- Insert the following statement on all future interagency agreement funding documents for severable services: "These funds are available for services for a period not to exceed one year from the date of obligation and acceptance of this order. All unobligated funds shall be returned to the ordering activity no later than one year after the acceptance of the order or upon completion of the order, whichever ever is earlier."
- Place the following statement on all future interagency agreement funding documents for goods: "I certify that the goods acquired under this agreement are legitimate, specific requirements representing a bona fide need of the fiscal year in which these funds are obligated."
- Include a specific attestation on your triannual review certification that all existing interagency agreements are consistent with DoD policy.
- Provide my office with a report on the amounts reviewed and deobligated no later than July 15, 2006.
