

# Adenovirus Vaccine

May 2011

[www.vaccines.mil](http://www.vaccines.mil)

## Across

- 1 Method to prevent adenovirus infection (12)
- 5 U.S. Vaccine regulator; abbr. (3)
- 7 Enteric tablets designed to pass through the stomach, e.g. whole (6)
- 9 Color of adenovirus type 4 vaccine tablet (5)
- 10 CDC info sheet before vaccination (3)
- 12 Most common adverse reaction to vaccine; abbr. (3)

## Down

- 2 Protection from disease (8)
- 3 Number of strains in adenovirus vaccine (3)
- 4 Previous adenovirus vaccine used by military until what year (17)
- 6 Acute respiratory disease often seen in new recruits (10)
- 8 Vaccine shed in stool for this period, days (11)

- 13** Vaccine Adverse Event Reporting System; abbr. (5)
- 15** Recommended DoD population to receive adenovirus vaccine (16)
- 18** Recently vaccinated individuals should avoid close contact with these persons (8)
- 19** Physician consultation group that recommended vaccinations for military; abbr. (3)
- 20** Most important step in preventing spread of infection (11)
- 22** Body system commonly infected with adenovirus (11)
- 26** Adenovirus is this type of vaccine (4)
- 28** Number of licensed adenovirus vaccines (3)
- 29** Voluntary tracking system for women who become pregnant within 6 weeks of vaccination (8)
- 31** Anaphylaxis antidote; abbr. (3)
- 33** Adenovirus symptoms initially resembles (4)
- 35** Infection type (5)
- 36** Administration route (4)
- 37** Vaccine pill coating (7)
- 39** Number weeks vaccinated women should wait to become pregnant (3)
- 40** Vaccine storage enemy (4)
- 10** Postpone administration to vaccinees with this acute illness (8)
- 11** Virus infection is managed by treating the patient's (8)
- 14** Check for contraindications (6)
- 16** Recommends immunizations requirements, grp (4)
- 17** Earliest age vaccine can be administered (9)
- 19** Respiratory route mode of transmission (8)
- 21** Original adenovirus vaccine manufacturer (5)
- 23** Adenovirus occurs during this season (3)
- 24** Can occur where people are in close quarters (9)
- 25** An adenovirus serotype in the vaccine (4)
- 27** A large vaccinated group results in this type of immunity (4)
- 30** Microbes (slang) (5)
- 32** Color of adenovirus type 7 vaccine tablet (5)
- 33** Should not do this to vaccine tablet (4)
- 34** Current adenovirus vaccine manufacturer (4)
- 38** Organization to report unusual cluster of severe cases; abbr. (3)
