Typhoid Fever: Know Before You Go

October 2012 www.vaccines.mil

Across

- 2 Important step in preventing typhoid infections (11)
- 4 CDC info sheet before vaccination (3)
- **6** Possible contamination source for typhoid (5)
- 7 Number of doses in oral typhoid vaccine (4)

Down

- 1 Recommended DoD population to receive typhoid vaccine (9)
- **3** Bacteria in this organ can result in a chronic carrier state (11)
- 5 Salmonella enterica serovar Typhi, abbr.(6)

- **9** Hypersensitivity (7)
- 11 Anaphylaxis antidote; abbr. (3)
- 12 Oral vaccine swallowed with this temp beverage (4)
- **14** Possible occupational vaccine requirement for this worker (3)
- **15** Long term illness with typhoid bacteria (7)
- 17 Rule for vaccine syringes filled by staff not used by end of clinic day (7)
- **20** Minimum age for oral typhoid immunization (3)
- 21 Vaccine Adverse Event Reporting System; abbr. (5)
- **22** Typhoid symptom (9)
- **24** Typhoid immunization documentation requirement (9)
- 28 Oral typhoid vaccine taken how long before meal, hrs (3)
- 29 Label for potentially compromised vaccine (8)
- 31 Possible side effect of oral typhoid vaccine (6)
- 32 Service member immunization documentation system; abbr. (3)
- 34 Render less virulent, as in vaccine strain (10)
- 35 This classification of medication should not be administred with oral vaccine (11)
- 37 Booster frequency for live oral typhoid vaccine, yrs (4)
- 38 Live typhoid vaccine administration route (4)
- **39** Vaccine pioneer whose daughters died from typhoid fever (7)

- 6 International typhoid disease outbreak tracking group (3)
- **8** Common injection site reaction (7)
- 10 Organization to report widespread illness outbreaks; abbr. (3)
- **13** Typhoid vaccination recommended for this group (9)
- 16 Nickname given to first identified healthy carrier of typhoid (11)
- **18** Injectable typhoid vaccine administration route (2)
- **19** Countries where risk for typhoid is greatest (10)
- 21 Postpone oral administration to vaccinees with this acute illness (8)
- 23 Microbes (slang) (5)
- 25 Century that typhoid vaccine developed (10)
- **26** Disease epidemic over large area (8)
- 27 Vaccine storage enemy (4)
- **30** Vaccine pill coating (7)
- 33 Check for contraindications (6)
- 35 Advisory body that recommends immunization requirements (4)
- **36** Minimum age for injectable typhoid immunization (3)
