We would also like information on the following:

- 1. Were any of the above names put on a watch list and, if so, by which agency or individual of the Government?
- 2. Was product or information concerning the individuals cited above ever requested by any agency or individual of the Government or of the Warren Commission? If so, what information and by whom?
- 3. Was product or information concerning the individuals cited above ever disseminated to any agency or individual of the Government or of the Warren Commission? If so, what information and to whom?
- 4. Did NSA ever have a watch list on U.S. defectors to the Soviet Union? If so, to which agencies was this information disseminated?
- 5. Were there ever any requests to monitor specific links for information pertaining to the individuals cited above? Who
