

ATTENTION Print Subscribers!
WSTIAC Quarterly is now free in digital format only.

Dear Subscribers,

The Department of Defense is striving to achieve greater productivity more efficiently. In support of this effort, WSTIAC is transitioning the distribution of our publication from print by mail to digital only. Beginning with this issue, we will no longer be issuing a printed version, but it will continue to be available for free via our WSTIAC eNews subscription service and via download from our website.

Don't Miss Out!
