

Inclement Weather Notifications

As cold weather is approaching I want to make sure you have this information available. We will include this information in the Casey Paw Print as well. When inclement weather occurs which could warrant closing the school our transportation office works very closely with the Camp Casey Commander to determine if road conditions are safe enough for school buses to run. This decision will be made prior to buses beginning their routes to Seoul American High School at 6 a.m.

We have established the following three Weather Condition Codes:

- **GO:**

School is open as per usual with the regular daily schedule.

- **DELAY:**

School is delayed 2 hours – meaning all buses will run their schedule two hours later than usual. AAFES will serve lunch on these days. School will end at the regular time, all classes will be on a reduced schedule.

- **CANCELLED:**

School is closed for the day.

Information regarding inclement weather and school closures will be made available through the following venues:

- 1) Mass e-mail to parents from the school.
- 2) Information will be posted on Area 1 Facebook site
- 3) Information will be posted on Casey PTO Facebook site
- 4) AFN Radio will also make announcements

Please note the decision to delay or close the school will be made by the Post Commander.

For those who have students attending Seoul American High School, please note the following:

SAHS Open and Casey Closed → SAHS Students Will Stay Home (No buses running)

Casey Open and SAHS Closed → SAHS Students Will Stay Home (Only Casey buses running)
