MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Fort George G. Meade Policy Memorandum # 30, Environmental Policy Statement

1. Fort Meade is the Nation's Preeminent Center for Information and Intelligence providing world class services to more than 78 partner organizations. Fort Meade's mission is to enable critical national security missions by providing our customers and community the facilities and infrastructure they require, the quality of life they deserve, and a safe, secure environment in which to work and live.
2. At Fort Meade, we realize that safety, health and environmental protection are essential to the execution of our mission. Accordingly, we commit to: Maintain compliance with all applicable requirements to our operations. Identify potential sources of pollution and meet or exceed the Army's goal for Pollution Prevention. Assess the current and future effect of our operations on the natural and human environment, taking into account Life Cycle Planning. Set objectives to avoid or minimize the adverse impacts on the environment that result from Fort Meade's operating activities and promote health and safety. Implement and monitor programs to achieve established environmental goals, objectives and targets. Actively pursue continual improvement in our Environmental Management System to move towards a sustainable Fort Meade.
3. Our policy will be communicated to all employees, partner organizations and made available to the public. The document will be posted on all official bulletin boards, Fort Meade's website ([www.ftmeade.army.mil](http://www.ftmeade.army.mil)) and Fort Meade's dedicated Environmental Management System (EMS) website ([www.fortmeade-ems.org](http://www.fortmeade-ems.org)).
