General Information

The Denver Acquisition and Logistics Center (DALC) provides products and services directly to Veterans Health Administration Clinics and other Government agencies nationally, and disabled veterans worldwide. Products available include:

- Cochlear Implants and accessories (Implants not currently included in catalog)
- Custom and stock hearing aids (Not currently included in catalog)
- Hearing aid accessories
- Batteries
- Assistive devices and accessories
- Assistive Listening devices (to include alerting devices)
- Prosthetic socks
- Aids for the visually impaired
- Orthotic softgoods
- Telehealth

If additional information is required on a specific item, please contact the Veteran Services Division at 303-914-5145.

How to Order

The Remote Order Entry System (ROES) simplifies the ordering process. Facilities are able to place orders electronically which increases the accuracy in the ordering process and allows the tracking of the order status on-line. Specific ordering information is described below. Clinics may also order directly from Knit Rite, Inc. using the contract number.

A. VA Prosthetic and Sensory Aids Service VA Audiology and Speech Pathology Service

Orders should be placed through ROES. Please refer to the “ROES Training Manual and Reference Guide” for specific instructions on placing an order. Items can be shipped to the requesting service or specific veteran.

Individual veteran records should be established through ROES by the appropriate VA service. Once established in DALC records as having continuing eligibility status, veterans then may order the following items directly from the DALC:

Batteries: Complete and mail VA Form 2346, “Request for Hearing Aid Batteries and Accessories.” A replacement order card (VA Form 2346) is enclosed with the supply of batteries for use when more are needed.

Returns

For Telehealth devices, send back monitors only. Do not send back the peripherals.

For Vendor information:

If vendor information is needed, click on the vendor name located below the item name and you will be directed to the vendor information sheet that is located at the end of the catalog.

Shipping Methods

All Orders are processed in the order in which they are received except for emergency orders. This includes assigning serial numbers to Veterans in Vista

After orders are processed and serial numbers of devices requiring registration is complete, Items are assembled for packaging.

Orders with multiple items are assembled and packed as one shipment.

Packaged orders are processed through UPS Worldship and shipping labels are affixed to boxes

All packages ready for shipment are staged on carts and placed in the UPS pick-up area.

UPS picks up packages for shipment to end users. (Veterans or Stations)

*Note: All orders are sent 2 day Air regardless of routine or priority order status.

** Note: Only Emergency orders are shipped Next Day Air.
